Jew Kaplan New Head Of NAACP

LBJ Advocates A Soviet America

In President Johnson's State of the Union message, he disregarded his oath to uphold the Constitution and advocated federal legislation that would destroy the jury system established by the Common Law, the various states and guaranteed by the Bill of Rights. Under the Constitution, the federal government only has limited, delegated authority and no right to tell any state how to pick its juries. He wants both federal and state juries stacked with negroes and members of the Jew dominated chambers of commerce who are allied together to destroy the White people of the South. In a racial case, no negro juror would ever give a White defendant a fair trial and Col. Robert Kennedy, Katzenbach and their black revolutionary followers are well aware of that fact. They want every White defendant convicted regardless of how innocent he is. Hubert Damon Strange, an innocent White man in Anniston, Alabama, was recently convicted. One reason why he was convicted was because he had to waste too many strikes to eliminate negroes from the jury panel. Most of the negro jurors admitted to either present or past membership in the NAACP and other integration groups and, yet, had the nerve to say that they could give a fair trial to a White man accused of shooting a negro; everybody knows that an innocent White defendant wouldn't stand a chance with a negro juror in a racial case. Our great jury system is already breaking down and falling to properly function on account of the fact that we already have too many negroes on both federal and state juries.

MORE MONEY FOR LAZY NEGROES

LBJ called upon Congress to appropriate more money for his (Continued on Page 2)

Third Jew To Head NAACP

KAPLAN

The Jew, Kivie Kaplan, has just been elected national President of the so-called National Association for the Advancement of Colored People. The NAACP's sixty member board of directors continued the policy of only electing Jews to its highest post.

Jew Kivie Kaplan is a retired Boston industrialist and for many years has been the NAACP's chief fund raiser, as Chairman of its life membership committee. He specialized in selling life memberships to unprincipled politicians and members of the chambers of commerce throughout the Nation for \$500.00 for each such card.

Last year at its 1964 national convention, many young NAACP negro delegates demanded that "whites" stay aside as leaders of the NAACP and allow negroes to occupy the top positions. They mistakenly considered mongrel Jews to be whites. Those young negroes were quickly put in their place by the Jews who reminded

them that Jew money financed the NAACP and that it couldn't exist without Jew money. In spite of its tricky and deceitful name, the National Association for the Advancement of Colored People is not a negro organization and never has been. It is a Jew organization that is using the negro and race-mixing to pollute our White blood stream and thereby cause the White race to vanish from the North American continent.

The first president of the NAACP was the Jew, Joel Elias Spingarn, who was a professor at Columbia University in New York City, and one of the original founders of the NAACP. He established the annual Walter Dill Spingarn Medal which the NAACP gives each year to the American negro who, in their opinion, has made the highest achievement during the preceding year. In World War I, Joel's efforts and influence with the Jew-controlled Wilson administration resulted in (Continued on Page 2)

Congress Can Buy Back Federal Reserve For Only \$304 Million

**CALLING ALL PATRIOTS!
OUR DOLLAR BEING
DESTROYED**

FACTS: The National debt has increased since 1 July, 1930, at the rate of ONE MILLION DOLLARS PER HOUR. As of now the interest on this debt is MORE THAN AMILLION EVERY HOUR. Unless this is stopped, our dollars will be worth less than ten cents in a very short time. The interest on this debt is collected principally by the Federal Reserve Banks, Tax Free Foundations and International Banking Houses. The Federal Reserve System is a financial combine privately owned and operated and loosely known, as The House of Rothschild.

SIGNIFICANCE: This situation was made possible largely by two acts, both dated 1913: THE FEDERAL RESERVE ACT, and THE GRADUATED INCOME TAX. A foreign banker of the Rothschild combine (Warburg) actually wrote the law now called the Federal Reserve Act. The congress which passed this law as acting unconstitutionally, as there is no power given that body turn over control of our currency and credit to private international bankers or anybody else (Article I, Section 8). The

conspiracy to destroy the United States as a Christian nation is employing these measures to bring this about. If our dollar becomes worthless we shall have great suffering, riots, disorders of all kinds, chaos and revolution. And the conspiracy intends to bring on revolution for the purpose of destroying us.

Write, telephone, telegraph your senators and representatives in Congress demanding they exercise their option under the law and buy back control of our currency from the Federal Reserve Corporation, buying the Capital Stock, now worth \$304 millions approximately; as outlined in Bill #8209, now in Committee, presented to the 76th Congress by Rep. H. Jerry Voorhis (California).

WHEN UNCLE SAM NEEDS \$1 BILLION

1. U.S. Treasurer advised the Federal Reserve Bank.
2. U.S. Treasurer advises Bureau of Engraving to print \$1 billion U. S. Bonds.
3. Federal Reserve Bank advises Bureau of Engraving to print \$1 Billion Federal Reserve Notes. The F R Bank pays the cost of the ink and paper -- approximately \$1 Million.
4. The F R Bank SWAPS the F R Note for the U. S. Bonds.

How would you like to make \$999 Million by the stroke of a pen?

5. In accordance with the 1935 Bank Act, the F R Bank can deposit \$1 Billion U S Bonds with the Comptroller of Currency and secure \$1 Billion U.S. Currency. The interest on the U. S. Bonds is payable to the F R Bankers.

6. The F R Bankers have learned an even greater swindle. They can legally board the \$1 Billion currency in their vaults and ISSUE \$10 Billion "Check-Book" currency every time they make a loan or an investment. Much more can be loaned under their fractional reserve system.

7. In simpler terms, the F R Banks paid \$1 Million, for which they received \$1 Billion U. S. Bonds plus \$30 Million interest annually on the bonds plus \$600 Million interest annually on loans to customers.

8. The FR Banks opened their doors for business in 1914 with \$147 Million capital stock. Our National Debt at that time was \$1 Billion. Fifty years later the F R Bank assets total \$62 Billion, while our National Debt has spiraled to \$325 Billion, on which we pay \$11 Billion interest annually.

9. In 1940 the assets of the F R Banks were \$5 Billion. In 1946 they had increased to \$40 Billion. In other words, during WW II, while 25 million Christians were being massacred, the assets of the F R Banks increased \$35 Billion.

10. Unless we immediately restore to Congress their constitutional right to issue and control our money (Art. I, Sec 8, Par 5), this once great Constitutional Republic will have gone with the Fed.

SENATOR THURMOND

Investigation Hit

Sen. Strom Thurmond, R-S.C., said Wednesday a government investigation of the Wade Hampton Academy at Orangeburg has been ordered as "pure and simple harassment."

He said it is "quite clear" that the government intends to try to override South Carolina's state tuition grant law. Thurmond said the Justice Department said it ordered the investigation to gain information for an upcoming court case.

The academy is a private institution, Thurmond said, and its founders have the right to operate it in whatever manner they choose. He said, "It is plain to see that the investigation was ordered as pure and simple harassment."

We Will Win Elections In 1966

By Rev. Connie Lynch

There is a way for us Whites to win legal control of our state and national governments and avert a bloody revolution which the Jew-communists and their black shock troops have already started against the White people of America. That is through political action that will give us Whites control of our local, state and national governments. The National States Rights Party is the nationwide political action organization to do that job. Before the Jew-directed red and black revolution reaches its bloodiest stages, we Whites must have national political power so that we, the White majority will be legally in command of the United States Government. Then, with the powers of Government in our hands, it will be the blood of the communist insurrectionists and traitors that will flow so deeply in the streets that it will reach as high as a horse's mane. With us Whites of the NSRP in legal command of America's armed might, the rebellion against our White Nation and its Constitution will be crushed and their revolutionary blood will flow in the streets and we White Christians will enjoy life in this promised land. We will use political action and the powers of Government and when the battle is over, there will only be White faces left; no black faces and no Jew faces. And let me remind you that the mongrel Jews are not Israel or Israelites, but are iden-

REV. CONNIE LYNCH

tified in the Bible as the serpent race. God wrote the Bible to His children, the White race.

The National States Rights Party's (NSRP's) victory plan calls for electing our Party's candidates to both houses of state legislatures, senators and representatives, in 1966. We are only going to run our candidates in those counties and districts in those states where we have enough Party members and friends to conduct effective election campaigns and watch the polls to prevent the numerous vote thieves from stealing our votes. We have no plans to run any candidates for any office

that would require statewide campaigning. Also, in 1966, the NSRP will not run any candidates for court house jobs. We are concentrating on seats in state legislatures and may run one or two candidates for Congress.

This is a good victory plan for the White race. Nothing succeeds like success. By only electing a few candidates to state legislatures in only a few states, we will prove that the White Supremacy, Anti-Jewish, rightwing, patriotic, Constitution-supporting National States Rights Party can WIN America is 85% White. Our victories in 1966, this year, will wake up that sleeping White giant and rally with us under the N.S.R.P.'s "Thunderbolt" banner, and in only a few more years we will be America's largest political Party and legally be the United States Government. You know us well enough to know that America's problems will then be solved and treason will no longer be tolerated or coddled, pampered or flocked as is now being done by traitors in high places in Washington.

All of us who participate in these 1966 election campaigns must, and are willing, to suffer smears, campaigns of Jew lies against us and suffer character assassination by FBI pimps who temporarily infiltrate our ranks. That is nothing new to patriots like Dr. Fields, J. B. Stoner, Neuman R. Britton, Kenneth

Adams, Gene Wilson, Bart Griffin, myself and others.

Jew and FBI smears and lies run off of us like water off a duck's back. We are willing to take the risks and join with others in these election campaigns, but we need gas and oil, motel and other traveling expenses. We need money for radio and television time and for the distribution of campaign literature. We need more money to hire clerical help at National Headquarters in Augusta, so that National Headquarters can become even more efficient and more effectively support Party and campaign activities at the local level. In these election campaigns, money is the ammunition with which to get the job done. Send that kind of ammunition to National Headquarters and we will use it to win elections for you

and me and all other real White people in 1966.

Our enemy, the Jewish B'nai B'rith has an annual budget of over Nine Million Dollars to use against us, and they haven't whipped us yet. We preach a message of self-preservation for White Christian America while the Jews advocate that we commit suicide by mixing our blood with the jungle blood of Africa and surrendering America to a Jew-ruled world government. That is why one dollar spent to spread our message of truth outweighs a thousand dollars worth of Jew propaganda telling us to destroy ourselves. To speak in plain words, we of the NSRP can win victories for you in 1966. Those victories depend upon your generous contributions on a regular basis. Think about this and act now.

Congress Abdicates Power To LBJ

JOHNSON SET UP AS DICTATOR

WHITES HAVE NO REPRESENTATION

First Klansman Takes Fifth Amendment Before Un-American Activities Committee

The House Committee on Un-American Activities has slipped to the hands of the left-wing liberals and is being used to persecute Southern White people who are standing up for the separation of the races. This is inevitable with the huge majority L.B.J. took into office with

ROCKWELL UIT SETTLED

Mr. George Lincoln Rockwell filed a libel suit against me for some of the charges I have made against him in "The Thunderbolt" and in various letters. I have asked for a settlement of \$500, and we have agreed upon the following retraction:

"While I still disagree 100% with Mr. Rockwell on his approach I know him to be completely dedicated to America and White Race. He believes his 'azi' approach will 'shock' Americans awake and get them to stand up and fight."

"Mr. Rockwell is a staunch American patriot and has never sold out to the Communists, as Zionists, Drew Pearson, anybody else. Mr. Rockwell, my knowledge, hates Communism and race-mixing as much I do. He has not purposely injured any other patriots, and now he has suffered much in a battle to save America and White Race."

"I regret adding anything to burdens with some of the urges I have made against the heat of disagreement in this 'Nazi' approach."

"Mr. Rockwell and I agree it is tragic and wrong for the patriots to attack each other and lie about each other because they differ in theories on how to approach this."

"It is our sincere hope that settlement of this case will be as an inspiration to other loving leaders, so that they cease fighting each other face around to fight the enemies America and the Race have ever had." signed, Dr. E. R. Fields, Editor "Thunderbolt"

There is absolutely no connection between this newspaper, Mr. Rockwell's Party,

him during the last election. Two weeks ago the first Klansman to take the witness stand against his will refused to answer any of the prying questions of this stacked committee. His name is Robert Gentry, of Murphreesboro, Tenn. He took the Fifth Amendment and refused to answer any questions. The committee is willing to allow leftwingers the right to use the Fifth, but attempts to avoid granting the same to rightwing patriots like Mr. Gentry.

BUT, THE COMMITTEE CHAIRMAN, WILLIS OF LOUISIANA, THIS TRUE LIBERAL COLORS NOW SHOWING, THREATENED AND TRIED TO COERCE BOB GENTRY INTO GIVING TESTIMONY. He told Mr. Gentry that he would be charged with contempt if he didn't answer the questions. Then Willis told a FALSE story of some leftwingers being charged for contempt for not answering some time ago and being cited for contempt. But, what Chairman Willis didn't tell Mr. Gentry was that these reds did not take the Fifth Amendment, they just walked out of the committee hearing without saying anything.

THE GREAT U.S. CONSTITUTION GIVES YOU THE RIGHT TO REFUSE TO GIVE ANY TESTIMONY THAT MIGHT IN ANY WAY INCRIMINATE YOURSELF. THAT IS IN THE FIFTH AMENDMENT, AND YOUR FOREFATHERS WANTED CITIZENS TO USE IT TO PROTECT THEMSELVES FROM ANY DICTATORIAL TYRANNY AS CONG. WILLIS IS TRYING TO ESTABLISH. Attorney J. B. Stoner, instructed Robert Gentry to take the Fifth Amendment and refuse to answer and to stand pat. This Mr. Gentry did. Mr. Stoner informs this editor that no man has ever been convicted of contempt of Congress for taking the Fifth Amendment.

Chairman Willis should INSTRUCT EACH WITNESS OF HIS INALIENABLE RIGHT TO TAKE THE FIFTH AMENDMENT BEFORE ANY QUESTIONS ARE ASKED. This committee is being used to pry into the secrets of the Klan so as to break up that organization and try and entrap said witnesses into situations where they will be tricked into getting themselves in trouble.

Klansmen Being Threatened And Intimidated By Chairman Willis, charges Stoner

J. B. STONER

For these reasons, Attorney J. B. Stoner has petitioned the entire House of Representatives to rebuke Chairman Willis and to stop this committee from trying to run roughshod over the rights of White people who are standing up against race-mixing.

President Lyndon Johnson is a Radical whose true colors are just now showing through. He no longer cares about the will or desires of the vast White majority of this land. He is arrogant and contemptuous of anyone who dares protest against his plans. He treats the U. S. Congress as a rubber stamp.

Never in history have we White Christian Americans been represented in Congress by such a body of cowards. Our elected representatives seem to live in fear of L.B.J. He treats them as children, and they go on their merry way approving all his proposed bills. ALMOST WITHOUT CHANGE. There seems to be no end to the anti-White legislation which passes almost without our opposition. Apparently, all Lyndon has to do to buy a congressman is to promise to let him in on the "patronage" gravy train.

U.S. REPRESENTATIVES, SELL OUT SOUTHERN PEOPLE. Never in the history of the South have its people been so betrayed by their representatives. Over and over again anti-White legislation has passed the Senate and House with very little fight from the Southerners. Men like Talmadge, Russell, Smathers (and most of the others) have allowed Civil Rights legislation to pass without filibustering, AND THEN TOOK TO THE T.V. & PRESS TO URGE WHITES NOT TO RESIST, BUT TO OBEY PEACEFULLY. ALL ANTI-WHITE LAWS (NSRP advocates all possible resistance to ALL Civil Rights Laws, we do not recognize as legal ANY law forcing Whites to mix with Blacks, or placing any power in Black hands.)

Southern politicians have over and over again sold White people

ple on voting for them, because seniority gave them control of important Congressional Committees. But, the facts are they have never used this power to force any concessions from the enemy on race-mixing bills. The Talmadges and others still claim that L.B.J. is their good personal friend. While they are attending cocktail parties with L.B.J., WE PEOPLE OF THE SOUTH ARE HAVING OUR THROATS FORCED DOWN OUR THROATS!

Southern politicians have betrayed their own people. There are a tiny number of loyal Patriots left in the House & Senate. Sen. Strom Thurmond is the only member of the Senate with the guts to tell L.B.J. to go to hell, and resigned from the Democratic Party. He is the only man who votes right-wing 100% of the time. In the House, we have Cong. Gross, Mr. Jim Martin, John Bell Williams and only two or three others.

BOTH PARTIES CONTROLLED. Both major political parties are in the hands of the enemies of the White Race. They are dedicated to the utter destruction of the White Race in America. This last session has provided us with an onslaught of un-American legislation, the Civil Rights Bill, the voting rights bill, foreign aid (doubled over last year), Immigration bill, aid to poverty, urban renewal, salary raises to all politicians, the rent bill, Home Rule for Wash., etc., etc. There seems to be no end in sight of the evil doings of LBJ and our cowardly Congress.

CONGRESS NO LONGER A CHECK ON RUNAWAY GOVERNMENT. The present Congress is but a mockery of our Constitution. (Continued on page 2)

TEST YOURSELF ON RHODESIA

Questions:

1. Africans can't vote in Rhodesia: True or False?
2. Rhodesian blacks live in fear of the white police: True or False?
3. White Rhodesians stole the ancestral lands of the black natives: True or False?
4. If Rhodesia remains independent, it will cause a war in Africa: True or False?
5. America has a moral obligation to support the British sanctions against Rhodesia: True or False?
6. Segregation is the law in Rhodesia: True or False?
7. Rhodesia refuses to join the United Nations and help support it: True or False?
8. Christianity would be aided in Africa by the overthrow of the Rhodesian government: True or False?
9. Naturalists and animal lovers should welcome a "return to nature" in Rhodesia: True or False?
10. Education is for "whites only" in Rhodesia: True or False?

Answers:

1. False. Regardless of race, all Rhodesians must meet the same voting requirements of education or income. Those who don't qualify, including many whites, may vote on the "B" List, which has lower requirements and elects 23% of the legislature.
2. False. Most of the Rhodesian police and army are black.
3. False. When the whites arrived, they found less than 400,000 Africans, most of whom had arrived only 30 years before. Most of the land was uninhabited. The blacks retained their tribal lands, and unlike our Indians, still have them.
4. False. Stability and jobs for Africans means peace and order — not war and chaos — in Africa.
5. False. The British are supplying the Viet Cong, Castro's Cuba, Red China and Russia. Rhodesia has offered to help us in Viet Nam. If there is a moral obligation, it is our obligation to remember our own history and our own Declaration of Independence.
6. False. Segregation of public facilities, busses, parks, hotels, etc., is forbidden by law.
7. False. Rhodesia has been kept out of the United Nations by the communist and Afro-Asian blocs.
8. False. The lessons of the Congo, Kenya, Ghana and now Nigeria show us that premature African rule leads to persecution of Christians of both races and a return to paganism . . . even cannibalism.
9. False. The failure of law and order that comes with the end of responsible government in Africa has brought the danger of extinction to nearly 200 kinds of animals within ten years in all the black-ruled nations to the north of Rhodesia.
10. False. Rhodesia has a higher proportion of African children in school than any other nation except South Africa.

KING GEORGE IN 1776 PRINCE PHILIP IN 1966?

At a time in history when England is engaged in a vicious boycott to starve Rhodesia, Prince Philip has the audacity to come to the U.S.A. to conjure support for England.

The left-wing Wilson regime is attempting to starve Rhodesians into having their peaceful country turned into another bloody Congo. **INSTEAD ENGLAND IS COLLAPSING!**

The very latest British outrage is the new move for a big sea and air blockade of all routes over which oil may enter Rhodesia. Actually this interference with the private internal affairs of Rhodesia is an open act of war. They are doing to the Rhodesians what they did to the Irish!

DON'T FIGHT ANOTHER WAR TO SAVE BRITISH TYRANNY!

If a starvation blockade doesn't work the next step probably will be for England to send an invasion army into Rhodesia! As history repeats itself, their army will face another Dunkirk, with American troops being called in to **SAVE THEM.**

Does "Prince" Philip know what it is to starve? As a member of the "Royal Family" he hasn't worked a day in his life. **THAT ISN'T SOIL ON HIS HANDS, IT'S BLOOD OF AMERICAN SOLDIERS HE HELPS TO KILL IN VIET NAM!**

Americans die with British bullets

At this very moment, England is shipping supplies to Cuba, North Viet Nam and other communist countries. Just recently, 35 British ships unloaded badly needed supplies in North Vietnamese harbors. Why - while our boys bleed and die in Viet Nam and while the British deliver war supplies to our enemies. The only country they are trying to destroy is the tiny peaceful nation of Rhodesia. Prime Minister Ian Smith of Rhodesia has recently offered the United States tangible help, in the form of military units in the war in Viet Nam.

WHY SHOULD PRINCE PHILIP BE ALLOWED TO TOUR THIS COUNTRY AND TRY TO OBTAIN MORE MATERIALS TO KILL AMERICANS WITH?

why should we support their filthy blockade?

Daily, the Rhodesian government is smeared as being "rebel", "outlaw" or "unconstitutional". But the truth is that Rhodesia has been completely self-governing since 1923, longer than any British colony in the world! In 1939, **BRITAIN PROMISED RHODESIA HER INDEPENDENCE ANYTIME SHE WANTED IT!**

Now, socialist Prime Minister Wilson and his Red bandits, including "honorable" Prince

promise, in spite of the Rh lives for Britain in her war. An affiliate of the

NEWS & VIEWS

CBS-TV vs. Webster Groves

Webster Groves, Mo., is a thriving town whose citizens are proud of their community - that is until CBS-TV did one of their despicable slanted documentaries on their town. This telecast on CBS on Feb. 25 had even the TV critics outraged. The critic for the Chicago Tribune commented on April 11 that it was a "smear," also that the town probably had "learned something." That is to say "no" if CBS should ask to do another documentary on the town. Other TV critics called it "slanted journalism" and "hokey." CBS is known for its slanting of the news; and some distinguished citizens have protested its liberal propaganda.

Supt. Willis vs. The Bureaucracy

The Chicago Tribune presented a first-page story on the tribulations the excellent Supt. of Chicago schools, Mr. Willis, is having with the federal bureaucrats with the caption "Willis Raps U.S. Team on Bias Survey." In their fanatical attempts to

find discrimination in Chicago schools they are interfering with education locally. The Supt. warned that the federal aid given to schools gives the bureaucrats a chance to direct local schools according to their own arbitrary theories. This is a terrible danger and citizens must recognize that these "liberals" are ruining local education.

BOOK RAPS N.S.R.P.

Several book stores are exhibiting a communistic book written by a New York Jew Alan Stang. "It's Very Simple" is a hate book attacking groups interested in preserving the white race in this country. The red line advanced is that whenever the communists demonstrate in the streets they are opposed by the National States Rights Party. In the twisted mind of this shabby kike he infers that this is "helping the communists." He wonders why the highly respected attorney J.B. Stonor happens to be in the same town that Martin Luther King agitates. This crypto-communist probably also wonders why General Grant was so near General Lee during the Civil War battles; or why American fighter planes were so near the Jap planes in World War II; or why our American soldiers are so near the Viet Cong guerrillas in Viet Nam. That is where their red frontier belongs - in the Viet Cong army.

RACE-MIX MOVIE PICKETED

On March 5 a picket by the N.S.R.P. was successfully conducted against the racemixing movie, "A Patch of Blue."

This vile movie portrays a young white girl who is sorely mistreated by her parents. During a "typical family argument" she is blinded by lye or acid which her parents were throwing at each other. The young girl is then forced to work stringing beads. The beads are arranged in a color sequence, and she drops them, disrupting the order and is unable to continue. Fearing severe reprisal from her parents, she escapes to the park to cry. Along comes her savior, Sidney Portier - who re-arranges her beads and "opens up a new life for her."

This classic exhibition of moral degeneracy has received an academy award for the best supporting actress, instead of the good censorship it deserved.

Any additional comments or articles for publication should be sent to the National Book Store. Any contributions will be gratefully accepted.

Our most valuable weapon against the Jews is the word of God as printed in the Bible. If we establish the fact that the Jews are nothing more than the Pharisees to which Christ refers so often in His teachings, we can convince any Christian that the Jews are behind most of the atrocities in the world today.

The fact that Jews are Pharisees is most easily proven by referring to some works of Rabbi Louis Finklestein. Rabbi Fink (short for Finklestein) was chosen by the Kheillas in 1937 as one of the top 120 Jews show best represent the "LAMP OF JUDAISM" to the whole world. In his two-volume work "THE PHARISEES" he states that "Pharisaism became Talmudism; Talmudism became Medieval Rabbinism; and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name, inevitable adaptation of custom, and adjustment of law, the spirit of the ancient Pharisee survives unaltered."

Once we have established the fact that the Jews are Pharisees the Bible gives us more than enough truth about the Jews to convince even the most ignorant of all liberals that the Jews are the source of all the atrocities and disturbances in the world. John 8:37/44, Matthew 15:6/9 and all of 23, and Mark 7:13 are all the ammunition we need to inform people about what a Jewish hypocrite really is. In Revelation or Apocalypse 2:9 and 3:9 we are told that some people are calling themselves Jews, but they are the "SYNAGOGUE OF SATAN."

The word of God is truth and the strongest weapon we have against the lies of the "Synagogue of Satan." Use it, and God bless you.

IS THIS OUR GREAT SOCIETY?

CONRAD HILTON HOTEL REFUSES TO ENTERTAIN WOUNDED AMERICAN SOLDIERS!

Hotel manager Porter Parris said he wouldn't allow them to be entertained at his hotel even if they payed! He claims "They might depress the other customers". Rejected, the lonely GI's had to search elsewhere for recreation.

Since when are we turning our wounded away from places of public entertainment because they will "depress others"? Did they not fight for these same people; so they can have their freedom?

We all have friends who were in the service and are appalled to think that this could happen to them if they were wounded, fighting for their country.

What about the boys who aren't wounded - but dead? Is their memory depressive? Or is Mr. Parris glad that they are dead, so they won't get a chance to stay at his hotel?

AIDS VC

The Conrad Hilton will lavishly entertain a Prince from England which is selling guns and ammunition to the communist Viet-Nam guerrillas, but they won't entertain the Americans who are crippled with these weapons.

We of the National States' Rights Party demand to know why the Conrad Hilton is allowed to remain open to the public. Segregation is illegal. Is segregation of the races more important than segregation of the brave from the cowards? Would the Conrad Hilton turn away beatnik-pacifists?

DO YOUR DUTY

Perhaps there are some good Americans staying at the Conrad Hilton who do not know what the hotel is doing. **INFORM THEM!** Demand that this hotel either closes or changes its attitude toward America and her Armed Forces. JOIN UP WITH AN ORGANIZATION WHICH IS STRIVING TO KEEP AMERICA GREAT!

Arthur Spingarn, the fanatical Jew at left, is President of the National Association for the Advancement of Colored People (N.A.A.C.P.). Spingarn has recently been condemned by the Un-American Activities Committee for his Communist activities. In 1955 the N.A.A.C.P. was exposed as a Red front. Yearly the N.A.A.C.P. awards the Jewish Spingarn medal to Negroes and Jews for Race-Mixing and other Communist activities. Jewish leaders daily plan Supreme Court decisions regarding Race-Mixing (Integration). The N.A.A.C.P. was founded by Joel Spingarn, Arthurs brother, who organized the first regiment of Negro army officers during World War I. Arthur Spingarn has been leader of the N.A.A.C.P. since 1939 the year Joel Spingarn died. Jews have always led the N.A.A.C.P. On Jan. 24th, 1961 Jewish Judge Irving R. Kaufman ruled illegal any attempt to prevent Race-Mixing. The final goal of the N.A.A.C.P. is total mongrelization of the White Race.

Jews Founded Communism

Pictured at left is the "father" of Communism, the Jew Karl Marx (real name Mordecai). Marx founded Communism as a modern Jewish religion for domination of the Gentile. Communism calls for the immediate destruction of White nations. In a letter to Marx the Jew, Baruch Levy stated, "The Jewish People as a whole will be it's own Messiah. It will attain world domination by mixing the races and the abolition of nations." In writing the Communist Manifesto Marx's greatest helper was the Jew, Friedrich Engeles. All leaders of the Communist Party in America have been Jews. The Jewish Rosenbergs were electrocuted for giving Russia information during the Korean war. Eight of the nine members of the Rosenberg spy ring were Jews.

The APE

The NEGRO

(Africanus)

Scientists Say Negro Still In Ape Stage

Races Positively Not Equal

(1) The Negro's head shows the archaic form. The front of the Negro's skull is much smaller than the white man's thus giving the Negro less room for the higher faculties, such as affection, self control, will power, reason, judgement, apperception, orientation and a feeling for the relationship of person-ality to environment.

(2) Formation determines the amount of intelligence that will be reflected just as the size and shape of a glass pitcher determines the size and shape of the water in it. If this were not so there would be no law governing intelligence and one organism would reflect as much mind as another regardless of its construction.

(3) The Negro's whole skull capacity is much undersize so that the black brain weighs 35 ounces as against 45 ounces for the Caucasian brain.

(4) In the Negro the cranial bones are very thick and the cranial sutures unite early in life. This checks the development of the brain and explains the sudden stunting of the Negro intellect shortly before puberty.

(5) The Negro's hair is flat and without a center core or duct. It is not a true human hair but resembles the wool of the lower animals and it can be felt.

(6) The Negro's eyeball is tinged with yellow as is the ape's. The jaws protrude so that the facial angle of the Negro is 70 degrees as in the ape. The white man's facial angle is 82.

(7) The Negro's nose is concave at the bridge as is the ape's. The nostrils turn up and show the red inner lining. The lips are everted and show the red mucous membrane.

(8) In the white man the alveolar arch and palatine area of the mouth became shortened and widened and the tongue became shortened and more horizontally flattened which allows for greater refinement in pronunciation while the Negro palate and tongue remained ape like (macrodon) and he is unable to pronounce sibilant sounds. Sibilant sounds are unknown in Negro dialect.

(9) The Negro carries stench glands as does the dog and in his natural state these may serve as a means of identification in place of a name. This stench (from extra sweat glands) is partly under control and is put out when the Negro is excited.

(10) The black skin of the Negro has nothing to do with climate. It is caused by animal coloring matter between the true and the scarf skins. It is proven the world over that black and yellow skins are signs of mental and spiritual inferiority and that no tinged race can create a civilization.

(11) A few mulattoes may appear to be brilliant but this brilliance never allows them to invent or create which shows they have not bridged the gap between the black and white, for no archaic form can become modern.

(12) The Negro is much closer to the ape than any other race physically and consequently mentally for form must determine mental and moral qualities and like must produce like. Every race is different physically and thereby mentally. With the Negro, the body - hence mind - is the lowest of all.

(13) No amount of imitation and apeing will instill a creative or inventive instinct into the Negro nor will education or sympathetic aid.

(14) The Negro has had just as long as the white man to develop. Tens of thousands of years have passed by and the Negro has not produced a civilization. Where is his art, his science, his religion? What single aspect of civilization has he contributed to present day culture?

(15) The Negro has no morals. He is not immoral but non-moral. Without the white man to control him the Negro reverts to savagery and practices torture, cruelty and witchcraft. The Negro is a natural cannibal and on his native doorstep may be found choice cuts of human flesh. In Africa the Negro even sells his dead relatives and will eat human flesh after it has become decomposed.

(16) As the black genes of the Negro are more powerful than white genes - the Negro has thereby destroyed every white civilization that he has come in contact with or has left that civilization stagnant and rotting and dependent upon the last drop of white blood from outside to keep it going.

(17) Negro blood which differs from all other human blood and has a sickle shaped cell has destroyed Egypt, India, Carthage, Greece, Rome, and caused the deep animal sleep to fall upon China, Portugal, Spain and Turkey.

Unless the Negro race with its deadly sickle celled blood is separated from the white race it will completely destroy America.

PERSONAL FROM:

Dear Fellow White Patriot:

I was very sad indeed to note that your subscription to "THE THUNDERBOLT" HAS lapsed. The records in the office in Augusta show that two renewal notices have been mailed to you, that you forgot to respond, and that your name has now been taken off of the mailing list. This means that you have already received your Last Issue of our fearless White Christian publication.

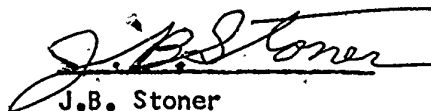

All of us here at National Headquarters had hoped that you had found the exclusive news in our fighting newspaper to be very useful to your patriotic activities during the past year. Our disappointment is especially keen because our patriotic White Christian political movement cannot afford to lose contact with White patriots like you in times such as these. The Jews have already launched their communist revolution openly in the streets against us with their revolutionary mobs of Jews, communists, negroes and beatniks. Their objective is a bloody revolution in which they intend to destroy all patriots, our American Government, our American Constitution, our Christian religion and our White race. "THE THUNDERBOLT" is the official organ of our National States Rights Party which boldly plans to stop and smash the communist revolution. You need the Thunderbolt newspaper. We need each other and we must stand together so that we and our kind will survive.

Of course, we realize that you are without doubt a very busy person and have not had time to renew Your Subscription. If this is the case, why not sit down right now and fill out the blank below. You will still receive the two books that have been promised free. Also, I will see to it that you receive the new "THUNDERBOLT" that has just rolled off the press.

We are fighting for the principles in which you believe. Your support keeps us on the front lines in this struggle for Jesus Christ, our Christian heritage, our great White Race and our beloved America. To speed your reply, a postage paid envelope is enclosed. It needs no stamp. Just write your name and address on the form below and place it with \$3. in the business reply envelope. I urge you to Act Now before this important matter slips your mind. I promise that your name will then be placed back on "The Thunderbolt" mailing list for a year's subscription the very day your letter arrives in this office.

Hoping to hear from you via return mail, I remain

Your servant,

J.B. Stoner

Brainwashed Professor Wants To Live With Negroes

Racial imbalance has caused Vaughan Stapleton and his wife to move out of their apartment in Evanston, Ill. The landlord has refused to rent his property to negroes. The crazy twist here is that Stapleton is not a negro. He moved out because the landlord would not move negroes in.

Stapleton, a 28 year old sociologist (this is a man with a degree in Race-Mixing) and about 20 of his neighbors put up a picket line in front of the building.

Last year, Stapleton, a so-called white man, learned that the apartment building opposite his had been vacated. He tried to talk the landlord into renting to a negro tribe but the landlord

refused.

When another apartment became available earlier this year another group of bush-men applied. The landlord, showing a great deal of common sense, refused. Negroes always ruin any home or neighborhood they move into in a short time. When you have been in the jungle for centuries you don't bother about keeping a house clean or protecting the property of others.

As man became civilized he put the animals in their place. As our civilization is being "jungleized" we are putting the animals in OUR place!

Here is a suggestion for you, Mr. Stapleton: Save yourself and

your landlords a lot of trouble. Move to a negro neighborhood. You can then practice "Brotherhood" on a grand scale. If your wife gets raped by a black gang or you get robbed and beaten as so many decent white men have been don't let it bother you. You must merely understand that the negro has been denied the opportunity to get what you have so he is taking a short cut. Of course the cut he takes may be your throat.

Abraham Lincoln Was Against Race-Mixing

It is better for the white and negro races to be separated, President Abraham Lincoln said in an address to some 500 free negroes on the White House lawn, April 14, 1862. President Lincoln said:

"You and we are different races. We have between us a broader physical difference than exists between any other two races. I need not discuss; but this physical difference is a great disadvantage to us both, as I think."

"Your race suffers very greatly, many of them, by living among us, while ours suffer from your presence. In a word, we suffer on each side. If this be admitted, it affords a reason, at least, why we should be separated."

"Even when you cease to be slaves, you are yet far removed

from being placed on an equality with white people.

"On this broad continent not a single man of your race is made the equal of a single man of ours."

"Go where you are treated the best, and the ban is still upon you. I cannot alter it if I would. See your present condition, the Country engaged in war, our white men cutting one another's throats, - and then consider what we know to be the truth: -- But for your race among us there would be no war, although many men engaged on either side do not care for you one way or another. It is better for us both therefore to be separated."

Wear Your Pin Proudly

Mexicans Complain Negroes Favored

The non-discrimination hiring practices demanded by the United States Equal Employment Opportunity Commission apparently does not apply equally to all citizens of the United States. Some 30 Mexican-American delegates to a conference called by the USEEOC walked out, charging that the commission is discriminatory in its hiring practices. The group left the March 28 meeting in Albuquerque, New Mexico less than an hour after it began.

Dr. Miguel Montes of San Fernando, Calif., president of the Latin-American Civic Association

complained that Mexican-Americans were poorly represented on the Washington staff of the USEEOC.

The GREAT SOCIETY line is that all should receive equal opportunity. Government agencies, however, don't seem to practice what their leaders preach. The desire of the Federal integration forces to see Whites forced to work in mixed conditions that will surely lead to trouble has made them oblivious to the fact that others are being discriminated against. The slogan might be: "We are all equal, and some even more equal."

LBJ Ready To Sell Out Viet Nam

KY. TO BE OVERTHROWN--NEGOTIATIONS STARTED

U.S. Press Out To Get Ky

The strongest government thus far in South Viet Nam was that of Premier Diem and his brother. To appease left-leaning Buddhists, the CIA and Ambassador Lodge had them overthrown and assassinated. There followed one unstable government after another. All the while the communist Viet-Cong grew stronger and killed more U. S. servicemen.

Now, for the first time since the Diem brothers ruled the nation, a new and real Anti-Communist Patriot has taken control of South Viet Nam. He is Premier Ky. This brilliant man has stood firm against all who would sell out to the Communists (who want a surrender at the conference table.) Ky is against sell-outs in America and in his own country.

The two day revolt by a tiny faction of pro-red Buddhists has been blown way out of proportion.

Premier Ky -- fighting Patriot and enemy of Communism.

tion by the TV and wire services. They denounce Ky as a dictator. The fact is that Ky is a very wise man and knows that Democratic elections are impossible with the country more than half controlled by the red Viet Cong.

The U. S. controlled news media (Jews own and head both wire services and all three TV networks), is continuing the most vicious slander campaign since International Jewry declared war

Katz's Civil Rights Bill Legalizes Guidelines-- Full Report On New Bill

The nation's press has played down the fact that the new Civil Rights Bill goes much farther than any previous one. A great threat overlooked by our phony 'conservative' defenders in Congress is that it has a provision (in small type) making the government School Guidelines legal. It would REQUIRE racial balance in all public schools. The enforcement of such a provision would require busing in almost every school district in the land. A specific government set percentage of negroes would have to be present in every public school. This is most definitely a communistic scheme to force all of our children to mix with Blacks and bring about mongrelization and the fall of this White Christian Republic.

As matters now stand, public schools in the South defying the Guidelines are on safe legal grounds. The present Civil Rights Law states that no percentages or 'racial balance' will be required in public schools. The only requirement is that no child be kept out because of his race. TENS OF THOUSANDS OF NEW FBI AGENTS NEEDED TO ENFORCE BILL

The vile Jew Nicholas Katzenbach has demanded that a federal open housing bill be

passed. This would require every home and apartment owner to open up his doors to any negro who wanted to move in. Lyndon Johnson has a rider with this bill asking for 100 new FBI agents to be hired to enforce this law. Of course this is just a farce. The rental or sale of any home or apartment could come under government scrutiny to determine if any negro was deprived of his 'right' to obtain said dwelling. IF THIS BILL IS PASSED JOHNSON WILL NEED TENS OF THOUSANDS, OR MORE, NEW FBI AGENTS TO INVESTIGATE TO FIND OUT WHETHER OR NOT NEGROES HAVE BEEN DEPRIVED EVERY TIME A DWELLING IS SOLD OR RENTED. This bill would place us beyond Russia in being the most Communized police state in the world.

The radical new Housing Bill has encountered sharp criticism from the National Real Estate Boards. The Jew Liar Katzenbach claimed that the bill did not go as far as some Northern city open housing laws. But the fact is most of the local ordinances EXEMPT single and double dwelling homes. Truly the new open housing bill is the most radical piece of legislation

During the past few months more Communist legislation and pronouncements have come out of Washington than ever before. The very latest shock was President Johnson's demand for expanded trade with communist nations.

Cong. Wilber Mills of the House Ways & Means Committee stated he would not introduce legislation this year easing trade restrictions with Soviet Bloc countries. LBJ has decided to by-pass Congress and expand trade of strategic goods anyway. Last year he allowed \$143 million in trade and this will more than double this year. Much of this business is of great military value to the Communists. Last year he allowed \$5 million worth of copper to be shipped to Red Yugoslavia, home of a shortage right here.

LBJ says this is part of his building soviet ship. This is a contradiction of the facts. All of the North Viet Nam's anti-aircraft missiles and Migs come direct from Russia. It is believed that Russians are probably manning these weapons which are daily shooting down American planes and killing our boys. LBJ is giving aid and comfort to the enemy. (The definition of High Treason.)

LBJ: "NO WIN IN VIET NAM"

On May 22, Harold Brown,

Secretary of the Air Force announced that Johnson had decided finally that their would be no bombing of the port of Haiphong or Hanoi. He said that this also ruled out our bombing of the Hanoi air fields being used by Russian Migs to attack our planes. Brown further stated that "We do not merely want to ease pressure to bring the North Vietnamese to the conference table."

In other words, LBJ has no intention of trying to win the war in South Viet Nam. We are only working toward a conference which would set up a 'neutralist' government which would include the Viet Cong. This would allow Johnson to gracefully pull out of South Viet Nam and save face. When the reds later fully took over the country, he could say it was the will of the people. In the past America has always had no plans to win this war. OUR BRAVE FIGHTING SOLDIERS ARE DYING FOR NOTHING. Lyndon Johnson is so pro-communist he sees no reason to fight his own friends. LBJ SHOULD BE IMPEACHED AND FIRED FROM OFFICE. With his Civil Rights bills and pro-Communist international dealings, he is destroying our freedom and establishing a Soviet Dictatorship right here in the U.S.A.

ever to threaten the American people. Our LBJ-Katz-Goldberg dominated government dares not allow the American people the opportunity to vote on this satanic piece of legislation. In every single instance, the public has voted down open housing. California voted it down 2-1. So did votes in ultra-liberal Oregon and Washington. THE AMERICAN PEOPLE ARE AGAINST FORCED RACE MIXING. ONLY THE CONTROLLED POLITICIANS IN WASHINGTON ARE IN FAVOR OF THIS BILL.

REAL ESTATE BOARDS FIGHT NEW BILL

It is most gratifying to us who have been in this fight for so long a period of time to see the National Association of Real Estate Boards issue a call to their 83,000 members to publicly fight this new bill. The Association Chairman Allen L. Emmen of Philadelphia said: "This housing bill is inherently evil and would sound the death knell of the right of private property ownership." In the Associations bulletin they stated: "This forced housing law should be rejected

so decisively as to end for all time any attempt to accomplish this objective through Federal law. This bill is more drastic than any of the existing state-enacted forced housing laws. This legislation purports to grant one group an alleged right by trampling on the rights of others." James A. Lynch, a real estate agent in Conshohocken, Penn., wrote: "If this act is passed, we may as well repeal the Bill of Rights." Many stated that they had their life savings tied up in their homes and could be ruined if they could not choose who they wished to rent to. One Real Estate man from Ottumwa, Iowa wrote, "It is about time that the civil rights hysteria be brought under control and we return to constitutional government."

BILL UNCONSTITUTIONAL

The arrogant and dispicable scoundrel Katzenbach has not even attempted to pretend that there is any Constitutional basis for such a law. He knows that if he can somehow squeeze this bill through Congress, our com-

OPEN-OCCUPANCY

By: G & M

The latest outrage propounded in the name of "Civil Rights" is the open-occupancy section of the new bill offered by the corrupt administration. This in effect denies the traditional and very important right of a property-owner to sell or rent to whomever he would choose. It places the property-owners at the mercy of the dictatorial federal bureaucrats who could harass and penalize him for some alleged discrimination. The power-hungry politicians plan this legislation to be another step in the enslavement of the citizens. Another reason for the bill is that the corrupt political machine is concerned with negro threats to elect their own candidates to power in the large cities. This means that open-occupancy is necessary to disperse the negroes to the suburbs, thereby reducing their political capacity and keeping them in line. It would also have the effect of diluting the conservative vote in the suburbs and perhaps allowing corrupt liberals to elect some stooges to suburban government.

There are so many implications to this despicable legislation that only some of them can be discussed here. The law is so blatantly unconstitutional that even Senator Dirksen has said he could not comprehend how a private property transaction could be considered within the jurisdiction of the federal government. This law is so fraught with danger that any citizen who has any regard at all for the preservation of liberty must do what he can to protect his freedoms by: writing to the politicians, conducting mass demonstrations, and by using any other effective means at his disposal.

Editors note:

We feel that since we don't want the negroes to gain power in the cities it is a good idea to put them elsewhere but not in the suburbs; since that would give the liberals power in the suburbs, and we don't want that either. Why don't we give them a homeland of their own - like Africa?

"We do not say that those who ignore politics are minding their own business, we say they have no business here at all."

CHICAGO UNIT ASSISTS IN DAYTON

NSRP members from Chicago went to Dayton, Ohio for a weekend and assisted in passing out campaign leaflets door-to-door. This is an example of how various state units can work together for mutual assistance. This was similar to a time last fall when patriots were arrested in Indiana under an unconstitutional "anti-hate" law. The Midwest co-ordinator arranged a midwest picket from 5 states. Chicago sent down several carloads to Indianapolis to protest this political persecution. The effort was not in vain. Shortly after this show-of-strength demonstration, all charges were dropped against the defendants.

CONRAD HILTON LITERATURE DISTRIBUTED TO CHICAGO LOOR CROWDS

For half-a-day, members of the NSRP Praetorian Guard stood in every entrance to the Hotel and distributed handbills directly to the hotel guests and other passersby. This was done with great success, and we hope that all future activities will be as well done.

Racial Peculiarities Of The Negro Brain

By William P. Pickett,
Historian

The frontal region of the Negro Skull has been repeatedly shown to be much smaller than that of the White. Considering this fact, the conclusion is reached that the Negro has a smaller proportion of the faculties pertaining to the frontal lobe than the White. The Negro then lacks reason, judgment, apperception, affection, self-control, will power, orientation, ethical and esthetic attributes, and the relation of the ego (of personality or self) to environment.

The conclusion is that the brain of the negro is smaller than the brain of the white, the stature is also lower, and the body weight is less, and any crossing of the two races results in a brain weight relative to the proportion of white blood in the individual.

The skull capacity of the ne-

gro has been repeatedly demonstrated to be less than that of the White.

But to what end is it necessary to marshal facts, discuss theories, and draw conclusions to demonstrate what to the average observant American citizen is already a well established proposition, viz.---that the Negro, as he is found today, in our community is in all respects greatly inferior to the white man with whom he is brought into relationship and resulting competition. Self-evident truths require no argumentative demonstration. If there be those who, after observation and reflection, are not to be convinced of the truth of the foregoing statement as to existing negro inferiority and white superiority, then this work is not entitled to their serious consideration.

Famed Professor Says Average Negro Incapable Of 8th Grade Work

NEW YORK -- An honest professor who headed Columbia's Department of Psychology for 16 years says the average negro (whose I.Q. is 80.7) cannot go beyond a national-standard 7th grade curriculum.

The professor, Dr. Henry E. Garrett, says half the negroes can't go beyond 5th grade work. In addition, Dr. Garrett says, "Only 1% (110 I.Q. or above) of negroes are intellectually equipped to do acceptable work."

"Society is a product of the characteristics of persons, which in turn are a reflection of their physical dispositions. From this biological point of view, the Negro not only has his own fundamental emotional trends but his

intellect is basically different from that of whites, both quantitatively and qualitatively. His inferior scores on intelligence tests seem in inevitable consequence of his different kind of brain.

"Even if his brain were able to master Nordic civilization, there would be many points at which a difference in attitude and consequently a failure of understanding, would be bound to appear. Carried one step further, the argument may run East is East and West is West and never the twain shall meet."

The book was approved by California educators in 1935, back when "academic freedom" meant freedom to tell the truth.

Negro Birth Rate Danger

UNFIT BREED FASTER

The less intelligent individuals breed more offspring than the more intelligent members of society. And, the most inferior race (the negro--a subhuman, cannibal, ugly, dull, odiferous race) produces more offspring than the most superior race (caucasian). This overpopulation of the "unfit" compared to the "fit" has caused the fall of past civilizations and threatens civilization today. (It may also be shown that this principle applies to other species in varying degrees. The "survival-of-the-fittest" principle is erroneous--each species tends to be "tolerant" of its defective members and the "fit" are generally sacrificed in battle, etc. while the "unfit" remain safe and continue to breed. Eventually, the burden created by the numerous "unfit" causes the species to decline or become extinct.)

NEGRO MAJORITY SOON

The negro family in the United States (with its modern medical standards and "liberal" economic aid) produces an average of five offspring while the economizing and responsible caucasian race restricts itself to an average of two offspring per family. At this rate of breeding, in 40 years the present ratio of 1 negro for every 10 Whites in the United States will be altered to 3 negroes for every 2 Whites. (The world population is 1/3 White and 2/3 colored, but in 10 years with plenty of economic and medical aid, it will be 4/5 colored and 1/5 White.)

NEGRO BIRTH CONTROLS

If the negro race is allowed to continue "breeding like rats" in the United States, then our society will be destroyed. The following laws must be enacted immediately so as to control the dangerous negro birth rate: (1) The birth rate of negroes must be restricted to one or two offspring per family (this would allow the caucasian to remain the majority in the United States). Negro parents who exceed this allotment are to be sterilized along with the excess offspring. (2) All negro producers (male and female) of illegitimate children are to be sterilized (over 60% of illegitimate children are produced by the present 10% negro minority in the United States). (3) All negroes who produce children while on aid programs (welfare, etc.) must be sterilized (approximately 50% of welfare costs for aid to dependent children (ADC) goes to negroes). (4) All negro criminals must be sterilized (they commit 50 to 80% of the various crimes in the United States). (5) All mentally deficient (uneducable) negroes must be sterilized. These measures will allow the caucasians to remain the majority in the United States; and help prevent the fall of the American civilization by keeping the "unfit" at a numerical minimum.

PROSPERITY OR CHAOS

These controls must be continued even after those of negro blood in the United States are deported to Africa. All negroes and other non-caucasians in the world must be regulated in their rate of offspring so as not to become a burden to caucasian countries with world commitments. Negroes will be happier under such birth restrictions and when they reside in their own country. Support for negro-birth-rate-control and Deportation-to-Africa legislation will prove beneficial to all. (Negroes will be guaranteed their basic needs in Africa--the last land of great wealth and opportunities.) If the Negro Birth Rate Danger is not stopped, the result will be the destruction of the White Race.

NSRP RADIO SHOW IN PLANNING STAGES

SUGGESTIONS SOUGHT

9 Chicago-April 1 - The proposed move by the Illinois National
11 States Rights Party, into the radio-TV field, took a giant
11 step forward late in March when party leaders met to discuss
10 details of the venture. These plans were first released to
9 the public in the January-February 1969 Prairie Fire.

3 Wake Nixes TV

9 NSRP leader in Illinois, Roy Wake, ~~said~~ has recently said:
11 " At this moment I see no prospects of the Illinois NSRP
11 moving into the TV field as time and production costs are
12 just too high". "I do believe a move into the radio field
11 can be made within the next few ^{months} ~~months~~." Wake made these
10 remarks off the cuff after a recent Chicago area speech.

2 Negotiations Started

10 At this moment, party leaders are about to begin negotiations
10 with several radio outlets both in Chicago and suburban areas.
12 The form the program will take is now being rounded into shape.
9 Two proposals are still under under considerations. They are:
14 1) A regular weekly show of 10, 15 or 30 minute duration to be
14 be aired at the same time each week and on the same station. 2)
11 Special programs much like "TV SPECIALS" that would be aired on
10 various stations, at various times and on different topics. The
12 shows would be aired in response to a recent news development or
5 activity of the Illinois NSRP.

REX PLANS NOT NEW

9 The Illinois NSRP leadership has long believed that mass
12 media must be employed to reach the man in the street. As
11 far back as the August 1966 national convention of the NSRP
11 in Dayton, Ohio, Illinois leader Roy Wake had gone on record
12 as supporting NSRP use of radio-TV. At that time Wake told
11 reporters: " The Jews and race mixers have long used the media
15 to their ends and wise use of radio and TV can do much for us
12 in our struggle to reach the people with the truth." Wake went
12 on to blast mass media for ignoring the NSRP and charged an
10 organized effort was being made to "play down" Chicago NSRP
4 efforts at that time.

Members Views Needed

12 Much time and work remain ahead of the Radio-TV Committee before
12 the first program will take the air. Frankly we need your ideas.
12 Many critical decisions will be made within the next 30 days and
13 we want your thoughts on how to make this program a success. Will
15 you take but a few moments of your time to drop us a line with
12 your ideas? Do you favor such a venture? What form should the
12 program take? How often should it be aired? Would you serve on
11 the Radio-TV Committee? Would you support the show with monthly
9 contributions earmarked: "For Radio TV Use Only"? Please express
10 your thoughts by writing to: PRAIRE FIRE, DEPARTMENT R, Post Office
12 Box 6665, Chicago, Illinois 60680. We hope to have firm details to
10 report in the May-June issue of the PRAIRE FIRE. Mel Pofahl

News Flash

CHICAGO'S AMERICAN, SUNDAY, MARCH 23, 1969

Ray's attorney sees new trial

NASHVILLE (AP) — James Earl Ray's new lawyer arrived yesterday to visit Ray at the state prison and said he had new information which convinced him that Ray did not assassinate Dr. Martin Luther King Jr.

J. B. Stoner, a Savannah, Ga., attorney long associated with the Ku Klux Klan, said he had been retained by Ray in his effort to win a new trial.

Warden Lake Thompson of the Tennessee State penitentiary said he had not been contacted by Stoner but that the attorney would have no trouble seeing Ray if the prisoner wished it.

Ray pleaded guilty March 10 to a first-degree murder charge that he shot King in Memphis last April 4. Ray was brought here the next day to begin a 99-year prison sentence.

IN CHATTANOOGA Friday night, Stoner, 44, said he would be aided in the case by a Chattanooga lawyer, Robert W. Hill.

"I have some independent information about the Ray case from Memphis," Stoner said. "And from the information I have, I believe it would have been impossible for Ray to have been guilty of shooting King."

Stoner said he thought Ray had been pressured into entering the guilty plea because of national publicity which made it impossible for Ray to get a fair trial.

"Certain magazines are part of a conspiracy to libel Ray and deny him a free trial, Stoner said. "This pressured him into pleading guilty.

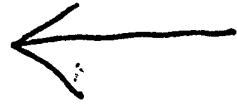

"I AM representing Ray in a libel suit against some national magazines . . . which have accused him of a crime of which he is not guilty."

He did not name any magazines.

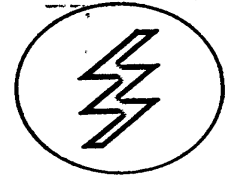

Stoner's entry into the case was announced by Edward R. Fields, director of the militantly segregationist National States Rights party, who said Ray first contacted Stoner after his arrest in London last year.

Stoner, an NSRP attorney whose office is located in the party's headquarters in Savannah, ran for Vice President under the party's banner in 1964.

Criminal Court Judge W. Preston Battle Jr., of Memphis, who presided in the Ray Case, disclosed Wednesday that Ray had written him saying he wanted to withdraw the guilty plea and stand trial.

White Students Rise Against Hippies In Ill.

THE CHICAGO ATTACK

On Feb. 8 in Chicago, Illinois a group of 20 young men decided that the sit-in that had paralyzed the University of Chicago for the past 10 days had been allowed to proceed long enough. They entered the building at about 9 p.m. and left 6 men guarding the door. Without using any weapons they waded into dozens of long haired hippie creeps and began to slug it out with them - most are queer odd ball types and they fled in terror. We have often found that hippies are quite loud on the obscenities and obnoxious mannerisms but cringing cowards when confronted by real men.

In no time at all the front part of the U. of Chicago administration building was cleared out by the small band of right-wing youths - all in their early twenties. When victory looked as if it were, in sight and the screaming pansies were fleeing for the exits, the university security men came in and tried to arrest the young patriots. They grabbed John Schuman, age 26, Thomas Conway, 20 and Terry Wallgore, 21. The rest got away. Later even these three were released when the police could not find any of the hippies to make any charges against them. (No doubt they all

ran home and were hiding under the bed by that time.)

Or course, there can be little doubt that most of this trouble has its origins in the lack of discipline in the home. Many parents are practically strangers to their own children. Without parental guidance they drift into the camp of the shiftless and malcontent anarchists. If school officials and police are unable and afraid to deal with this campus strife, they should step aside and let the men of the NSRP and Patriotic students go in and clean up this campus mess. If these beatniks cannot obtain discipline training at home, then we are willing to give them a good chastisement that will at least give them something to think about before they upset serious students again.

We can now reveal that NSRP members aided the attack upon the sit-in hippie creeps at the University of Chicago. We will be only too happy to join in any attempt to help clean this scum-off of any campus where we have active members.

The time has come for Whites to take the offensive and stop negroes from taking over the operation of White educational institutions.

What Are YOU Passing On To Your Children?

Are you giving them the same rights, and privileges you received from your parents, or are you going to leave them a few dollars that will buy little in material goods and none of the rights that gave you the opportunity to earn those dollars?

Which is better, that your children have the right to make a dollar or a bureaucratic chain around his neck and a copper hearted Kennedy half-dollar in his pocket?

We have to face the fact that White Christian citizens generally have become second class citizens. Does anyone guarantee you a living wage whether you earn it or not? If you need legal aid who would help you without a fee? Or, if you want to create a nuisance suit who pays your lawyer? Could you get free legal services? You know you could not! When you vote the Republican or the Democratic ticket do you have a choice between two different managements or just two different people who will do things in much the same way?

How long are you going to follow your present policy of "I don't want to get involved" before you do something? At present you send your sons to die in a war the Jews forbid your government to win. A war in which the Jews and their prostitute politicians Javits, Cellar, Dodd, McCarthy, Kennedy, and others give aid and comfort to our country's enemies. But of course this makes jobs for the negroes who would be out of work if your sons came home from the service and gave the Jews "chosen" people competition for the jobs.

Or will you wait until the negroes deprive your children the right to go to school or force them to attend integrated schools? Maybe you will get excited when the integrated sex education classes have the Blacks working on your children.

How do you feel when you look in the mirror, and know that you are allowing these things to happen?

He went on to blast mass media for ignoring the NSRP and charged an organized effort was being made to "play down" Chicago NSRP efforts at that time.

YOUR VIEWS NEEDED

Much time and work remain ahead of the Radio-TV Committee before the first program will take the air. Frankly we need your ideas. Many critical decisions will be made within the next 60 days and we want your thoughts on how to make this program a success. Will you take but a few

Dear Fellow American:

We know that you want an ACTION organization which keeps our message of White salvation before the public. It does no good to simply sit back and publish literature for one another to read. We MUST reach new people with the truth and then show them how the NSRP can be their own vehicle to get the job done. We ABSOLUTELY must convert the general public to our cause. With continued negro student uprisings, the political situation is crystallizing right into our hands. The only thing that can hold us back is a lack of funds to use this crisis to our advantage. We have the leadership in depth, NOW we need the funds with which to carry out the greatest mass public campaign in our history.

We want one and all of our readers and supporters to give this month to the best of their ability. We rely solely on you to carry on. Please rush your contributions into the NSRP so that we can really open up on the enemy. The time is ripe and the hour is late, it is ACTION - NOW OR NEVER. Your most generous donation today, is your vote of loyal support.

moments of your time to drop us a line with your ideas? Do you favor such a venture? What form should the program take? How often should it be aired? Would you be willing to serve on the Radio-TV Committee? Would you support the show with monthly contributions earmarked "For Radio-TV Use Only"?

Please express your thoughts by writing to NSRP, Radio-TV Committee, P. O. Box 6665, Chicago, Illinois 60680. We hope to have firm details to report in an upcoming issue of The Prairie Fire.

PROFESSOR WARNS WHITES OF BLACK POWER MURDER PLANS

NORMAN, Okla.- Dr. Chester Pierce, professor of psychiatry at the University of Oklahoma, warns Whites that the murder of White persons by Negroes will soon be increased. Pierce, a Negro himself, stated:

"The instigators of riots have become better organized. We have much to be concerned about. These instigators are learning how to become effective at killing White people without getting killed themselves. They are dominating the staffs of hospitals, post offices, public transit and sanitation departments and will soon be able to cripple whole cities."

CHICAGO TRIBUNE, SATURDAY, MARCH 1, 1969

Three Rape Girl, 18, in Old Town Flat

An 18-year-old girl was raped by three intruders in an Old Town apartment early yesterday while other occupants of the apartment were held at knife point and robbed of \$115. Detective Frank Cerone of the Damen avenue homicide unit said the three broke into the apartment thru a basement window.

The girl was taken into another room and raped by each of them while the other occupants, four men and two women, were held at knife point.

Intruders Saw Flat
Cerone said the three, all Negroes between 20 and 30 years old, had been taken into the apartment earlier in the day by a friend of one of the occupants. The apartment is a large room with mattresses on the floor.

One of the other women hid in a closet during the incident, and the intruders did not harm the third woman.

David Coffield, 21, the victim's boy friend, was slightly wounded with a knife when he tried to protect her, Cerone said. He was treated and released from Hennrotin hospital. The intruders also robbed Austin Ruckler, 29, of \$85, and Frank Lutz, 30, of \$30.

Friend Is Sought.

Police are looking for the friend who took the three to the apartment earlier in the day.

Federal Government Discriminates Against Whites In Hiring And Promotions

Draft Exemption For White Degenerate

The photograph on this page shows 24 year old Roger Mills, a law student from Boston kissing his bride, 24 year old Miss Berta Linson of Hazlehurst, Miss., who already had a 5 year old child. It was the first mixed marriage in the history of Mississippi. The couple had to obtain a federal court order to force the state to issue them a license. The daily press in the South carried the story, but most left out this dramatic photo of race suicide in the making. What we mean by this is that the offspring from this decadent union will be negroes, not Whites. This is due to the fact that the genetic make-up of a Negro is dominant over that of Whites at a 4 to 1 ratio. In other words the mongrel children will be predominantly Black and will assume the racial characteristics of the Negro parent.

Here are brainwashed liberals willing to go to such extremes as the taking on of "Black mates in a perverted public display of their fanatic belief in "racial equality!" At the same time they are guilty of polluting the blood stream of the White race with the resultant lowering of our civilized standards to the jungle terror which pervades every Black ghetto in America.

GOVERNMENT AWARDS RACETRAITOR

Another important point which must be brought out in this case: Roger Mills is a conscientious objector from the Army. His draft board in Washington, D. C. allowed him to serve "six months alternate service with the Office for Rights to the Indigent and Laid Clerk for the NAACP in Miss." (Mills serves in the NAACP Legal Fund Dept., headed by the Jew Jack Greenberg.) Thus this fanatical leftist is allowed to preach and practice his race mixing as a legal substitute for serving in the Armed Forces of his country. He has therefore betrayed his nation.

First, he lowered himself down to the lowest by mating with a degenerate race not far removed from its animal like jungle existence.

Second, he refused to serve in the Army in order to promote Blacks in the South.

WHEN ROGER MILLS married Berta Linson in Mississippi this photo was banned by every daily in the South. The shocking realization of what integration leads to is hidden to keep White from waking up.

The Federal Government should also be forced to explain this policy of allowing race-traitors to shirk their duty to their country by being given special exemption from the armed forces in order to work for race-mixing. We know that no White man would be allowed an exemption from the military to work for the advancement of the White race. We wonder just how many more Roger Mills' are loose in this land working to undermine our race due to the governments giving them special draft exemptions?

The time has come for us

White Folks to wake up and take back our country for our own kind of people. The enemies of the White race are now in command. That is why we have all this busing, despite the fact that the vast majority of our people are against it. The politicians are no longer our servants and we find ourselves living as slaves to the state. The time has come to break the chains that bind us and reclaim our birthright. We must control the destiny of our own Race and Nation in order that we may exist as FREE White-men.

TEMPLE USED TO RAISE MONEY FOR "CHICAGO 8"

It was suppressed in the daily press, but much of the funds for the defense of the "Chicago 8" (Six of whom were Jews) was raised at Temple Solel in Highland Park, Ill. Sponsored by Rabbi Arnold Jacob Wolf, for Jew defendants, Lee Weiner, Jerry Rubin, John Froines and David Dellinger, they addressed a Jewish audience of some 1,400 and appealed for funds.

Rabbi Wolf got into the act when he spoke, "I'll tell you why I am for these men! It is a Jewish law that a woman who is raped must yell. America is being raped and these men have been yelling."

It is worth noting that the Rabbi justifies the activities of the worst revolutionary radicals in America stating they act in accordance with Jewish law.

If President Richard Nixon has any "Southern Strategy" at all, it is to win the Black vote. The Negro press is blaring forth with the news that Nixon has appointed more Blacks to public office than any past president. (Some 64 per cent more than Lyndon Johnson according to the Associated Press report of April 22nd). Nixon has also appointed some 156 Black federal officials at high levels.

While the appointment of Blacks to high positions of authority (often over hundreds — even thousands of Whites) grinds on. Oh, Whites are being fired to make way for less qualified Blacks.

Staff Writer, Joseph Young of the Washington Star recently wrote about a "White secretary" who "was forced out of her job in the U. S. Interior Dept. Orders came down from the Nixon gang that more Blacks had to be hired in that department. The young lady Mr. Young writes about was 23, she had two years with the government, had received two promotions and was rated an outstanding worker, who was qualified to hold an executive position. Suddenly she was replaced by a Negro girl. The White girl appealed and received a favorable ruling from the hearing officer, yet the Interior Department hierarchy still turned her down. The case is presently going before the Civil Service Board (whose highest officer is a Black).

Nixon is allowing the Blacks to take over our government from within, their percentage in parts of the government work force is already higher than their population ratio in America. The Blacks are taking over due to cowardly race-traitors in high local, state and national public office.

BUSINESSES ALSO FORCED TO HIRE BLACKS

Not only are qualified Whites being passed over for Blacks in the government, but federal pressure is being brought against private business to hire Blacks instead of Whites.

Paul Harvey recently reported this situation as follows: "Pres. Nixon has created more jobs for Negroes in private industry and has appointed more Negroes than did President Johnson . . . Negroes are now in demand in the civilian market. Under orders

from the Fair Employment Practices Commission to hire a percentage of Negroes . . . personnel managers are now instructed to remember that "Black is Beautiful."

Thomas McArdle, a regional director of the Bureau of Labor Statistics, says, "Qualified Negro graduates have far more job offers this spring than do equally qualified Whites."

"With the tighter job market many businesses are doing less hiring. Graduates who majored in the liberal arts and the humanities are having a tough time finding appropriate employment. But Negro graduates, regardless of their field, are in demand."

McArdle says. Recruiters are actively recruiting minorities in all areas; there is tremendous competition for Negro graduates."

In other words, the government is telling big business that it has to hire so many Blacks before than can consider our sons and daughters for jobs.

This is discrimination against White people — and must be stopped!

We have been turned into second class citizens in our own country. No self-respecting White person can put up with this situation. The time has come to take back our own country and place loyal White people in Power!

FBI OUT TO SAVE INTERRACIAL COUPLE

On Aug. 11 Negro Robert A. Sewell married White Anna Mae Fitzpatrick. The wedding took place in the Negro "St. Johns AME Church" in Hughesville, Md. A crowd of irate Whites gathered across the street from the church. Robert Sewell boasted that upon seeing them while leaving the ceremony, he stopped on the church steps for "A long kiss and embrace before my White audience."

Then, on Sunday Aug. 17, five days later and after a lot of harrassing calls, Anne Mae Sewell disappeared. Her husband called in the FBI charging that Whites did away with his bride. Local patriots claim she took off because she couldn't stand the smell. Regardless the FBI is looking for her and told Sewell they would bring her back to him if possible. A good case for the FBI!

Blacks Fight Birth Control Program

National Council Of Churches Finance Red Guerrillas

Patriotic Christian church goers have long protested over their church's affiliation with the Red National Council of Churches. The National Council has long worked for integration, socialism, and co-operation with Russian and United Nations causes.

Now comes an even more crucial reason to demand that your church get out of the National Council and cease contributing money to that body.

On Sept. 3rd, the World Council of Churches (which includes our National Council and the Soviet Council) announced in Geneva, Switzerland, that it would begin financing African guerrilla forces. They voted to allocate \$200,000 to the *Special Fund to Combat Racism*.

The money will go to guerrilla groups including the Front for the Liberation of Mozambique (fighting the Portuguese), the African National Congress (fighting the Republic of South Africa), the South-West African Peoples Organization (fighting the South African held South-West area), the Zimbabwe African National Union (fighting Rhodesia).

All these organizations are backed, financed and armed by Communist Russia. Their guerrilla fighters are slipping behind the lines of these White controlled nations, slitting the throats of innocent White settlers, their wives and children. They practice the most vile butchery imaginable in their attacks upon White people.

Now the National Council will be contributing its regular share to the World Council's aid to murdering Anti-White guerrillas. Let's not allow our church contributions to be part of this travesty. Let's either see to it that our churches quit any affiliation with the National Council, or let's resign from any such affiliated church. Join one which is truly independent and interested only in spreading the word of God and not the Communist, atheist philosophy of the National Council of Churches.

Where Nixon Really Stands

BELOW REPRODUCED FROM NEGRO,

"JET MAGAZINE" AUG. 27, 1970

'If I Were Black Today, I'd Be...'

The private President Richard M. Nixon is definitely different from the hard-nosed public Nixon, noted syndicated columnist Carl T. Rowan. In a recent column, Rowan says that a Cabinet member said that President Nixon listened with compassionate interest to the plights of Blacks during a meeting with two campus advisers, Chancellor Alexander Heard of Vanderbilt University and Howard University President Dr. James E. Cheek. The President was reported to have slammed the table with his fist and barked, "Damn it, if I were a Black man today I'd be a revolutionary, too!" Afterwards, press secretary Ronald Ziegler reportedly said, "If that comment gets into the press, we're dead." When Jrr asked whether Rowan's account was true or false, Ziegler, who claimed he was in and out of the conference room, said he did not personally hear the statement and ended the discussion by saying, "No further comment." Rowan wrote of other private chats with President Nixon which contradict his public position. Whether President Nixon will show his private side publicly is debatable, which may be why the Administration requests that people "Judge us by what we do, and not by what we say."

Zionists Increase Birth Rate

JEWS FIGHT TO RAISE BIRTHRATE

Birth control to slow down over population is being promoted by liberal groups throughout the world. Unfortunately it is only being followed by White peoples who stand far behind Blacks and Asiatics in over all numbers. The fact of the case is that there are far too few White people in the world and way too many non-Whites.

Our government and these social groups should be promoting Birth control for non-Whites. The hardworking, industrious, creative, and cultured White people should be encouraged to procreate their own race so as increase our

numbers abundantly enough to continue to nourish the progress of the world.

JEWS INCREASE BIRTH RATE

The Jews are determined to do something about increasing the birth rate of their people both in America and Israel. Their problem in Israel is quite acute when one looks at the figures. In Israel proper live 2.5 million Jews and about 600,000 Arabs. In the occupied lands the Jews control about 1.2 million more Arabs. Palestinian refugees waiting in Jordan, Lebanon, Syria and Egypt anxious to return to Palestine number over 1.7 million. Therefore

"Muhammad Speaks" the official newspaper of the Black Muslims is carrying on an intensive campaign against Blacks practicing birth control. They charge this is nothing more than a White people's conspiracy to decrease the Black population. Actually the statistics show Whites are practicing birth control with Blacks ignoring it.

In order to frighten Blacks away from Birth control measures, "Muhammad Speaks" has published a series of articles intended to frighten nesses away from the use of contraceptives. In particular they have attacked the use of IUD (the loop) which is the cheapest sure means of preventing pregnancy.

The Black militant newspaper says that Black women can become infected by use of the loop and may end up sterile when it is removed. Of course this is sheer nonsense, but

many ignorant and suspicious Negroes are thusly misled. The paper goes on to warn:

"Honorable Elijah Muhammad is pushing hard for the Black people to get hospitals and doctors of our own and to stop using the Whiteman's birth control methods."

"Wake Up Black People! Please Wake Up! The Whiteman is committing genocide

against you. Black sisters who use the Whiteman's birth control methods are in danger. The Black woman was made to please the Black man and to bear his children. This is a blessing, honor and a privilege whether you realize it or not. So, please stop using birth control, sister!"

This is typical of the ranting and raving of the Black radicals which interferes with controlling the population explosion of a race which needs limiting the most. Sporting the highest percentage on welfare, highest number of illegitimate and highest crime rate — Blacks need to cut down on their population. If they do not follow the advice and wisdom of the White man on this vital question, the pressure of their growing numbers is going to force the White people to take sterner measures to solve the problems the Blacks are causing. Our very survival and the survival of civilization itself depends upon how this problem is solved.

All interested persons seeking a valid and workable solution to the Black problem should obtain a copy of the 10,000 word "Back To Africa" program of the NSRP. It is available from "The Thunderbolt" for 25¢ per copy.

the Arabs who rightfully belong inside the borders of what was formally called Palestine far outnumber the Jews.

This is the reason the Jews used the murderous terror machines of "The Stern Gang," "Irgun Zvai Lumi," etc. to drive the Arabs from their fruitful lands out into the desert. The Jews do not allow them to return or give their present Arab population equal citizenship because the power of an Arab majority could vote the Jews out of power. Thus the Jews who preach equality and democracy to others fail to practice it themselves.

In Israel the birth rate among Jews was only 22.6 per 1,000 people in 1966. To increase this number the Jewish Labor agency began a program of payments to those having larger families. Since this socialist government agency appoints living quarters for Jews, those with larger families are given preference.

Due to this program the Jew birth rate rose to 22.8 in 1968 and up 23.5 in 1969. A 9 per cent overall increase in three years. Yet the Jews are still fearful as they look at the growing Arab num-

bers all around them. The Arab birthrate inside Israel is an astounding 50.7, one of the highest in the world — and they receive no government subsidies from the Zionist Socialist regime.

The average Arab woman has 8.4 children in Israel, while the average Jew family has 3.4 children. (This is larger than the White Christian average in America.)

Right now it is a battle of numbers to determine who will survive in the Middle East. If the Jews do not see the wisdom of peacefully settling their differences with the Palestinian people now and grant them equal rights and a return of their confiscated properties — they will one day be overrun by a real majority who will forcefully reclaim their land and eliminate the illegal occupiers.

One further note on Birth Control. Much of this propaganda in America is formulated by Jewish liberals. Remember they are opposed to practicing what they preach for our own kind. The White birthrate must increase if we are going to survive in this sea of color which swirls around us.

This 'Judeo-Christian Heritage' Hoax

Continued From Page 7

Christianity is Christianity because it rejects Judaism. What is usually referred to as the Jewish-Christian tradition exists only in Christian or secularist fantasy."

This is true! And the fantasy exists in Christian and secularist minds only because it was implanted there by the persistent propaganda of the masters of intrigue of the ADL-AJC network.

Nevertheless, there can be no doubt that knowledgeable theologians, Jewish and Christian, who constantly allude to "our Judeo-Christian heritage" are, for their own specious purposes, perpetrat-

ing a grotesque and fantastic hoax.

For guidance, honest Christian religious leaders, lay and clerical, should turn to their Holy Bibles and read II Corinthians 6:15, which says:

"Be ye not unequally yoked together with unbelievers; for what fellowship hath righteousness and unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he who believeth with an infidel?"

And without casting aspersions, they should contemplate another passage in Deuteronomy 22:10: "Thou shalt not plow with an ox and an ass together."

and control money was only to be entrusted to the hands of those elected officials who are constantly accountable to the voters."

CARTEL

The Federal Reserve Act delegated full control of money to the Federal Reserve banking cartel. When the act was passed it was touted as a guarantee of ending inflation and deflation.

"Unless we corral this monster the very Republic which includes not only the wealth but the intellect, will be demolished," the congressman said.

Bill Asks Return Of Reserve Banks

A little-publicized bill to return to the government of the United States "the full, absolute, complete and unconditional ownership of the 12 Federal Reserve Banks" remains this week in the U.S. House of Representatives committee on banking and currency.

Rep. John R. Rarick of Louisiana, who introduced the bill, told The Tribune he does not expect action to be taken in this session.

"If the bill does not get out of the committee in this session, I plan to reintroduce it in the next session."

DEBT

He cited that when the Federal Reserve Act was passed into law, the public debt was \$1 billion. As of January, 1970 the national debt was \$382 billion. The combined national debt-federal, state, county, municipal, corporate, and private - is fast approaching \$2 trillion, his calculations show.

FBI Forces Busing In Alabama

Children Followed, Parents Harassed, 120 Ordered Bussed

Reprint From "Birmingham News"
Feb. 12, 1972

HOOVER CONFIRMS FBI agents probed Jeffco mix orders

BY MILN BENSON
News Washington Staff
WASHINGTON
FBI agents confirmed that they were used in Jefferson County, Ala., to investigate students suspected of attending their neighborhood schools in violation of court integration orders.

The use of the Federal Bureau of Investigation to question students and parents provoked a protest from Sen. James R. Allen (D-Ala.), who called it a case of "intimidation" and "a fantastic distortion of priorities in law enforcement."

In a letter to Allen, published in the Congressional Record this past week, Hoover said the investigation was carried out on orders of David L. Norman, assistant secretary general in charge of the Justice Department's civil rights division.

Spokesman John Wilson added that attorneys in the civil rights division also questioned some students and parents. He said a complaint had been filed in court alleging that a court desegregation order had been violated. Wilson said, specifically, the information was that some children might not be attending the schools they were supposed to attend under the desegregation plan. We treat this complaint as we do all others. We check them out to see if there is any basis to them."

According to Wilson, two Jefferson County school investigations were made by the FBI. One involved high school students in the community of Minor last fall. The other involved Sandusky elementary school pupils.

The FBI declined to say how many agents were assigned to the probe.

IN THE MINOR case, the FBI investigation led to a court order requiring 120

students to withdraw from the schools they were attending and transfer to other schools. No action has been taken in the Sandusky case, Wilson said. Allen, in a recent Senate speech, criticized the Justice Department for employing "sources" of personnel "to be used for surveillance of little school children, all to interrogate and question parents in their homes in connection with the crime of sending one's child to a neighborhood school."

ALLEN SPOKE out after Mrs. Baker, in a letter to Hoover, accused the FBI of "following little children and questioning their playmates." She said FBI agents had entered the home of parents, "flashing their badges, and asking questions meant to intimidate the parents, such as where they work, and implying that they (the agents) could have them fired if they failed to tell the truth."

A serious case has arisen in Alabama which poses the threat of a police state tactics over school children and parents throughout America. This shocking case was front page news in "The Birmingham News" of Feb. 12, but was not carried by the two New York City dominated news wire services. This important story has been deliberately suppressed by the daily press in the rest of the nation. It all began when a Yale law student, David L. Norman, discovered that some little white children in the Birmingham suburbs of Minor and Sandusky were attending their local neighborhood schools.

David Norman determined that they were somehow avoiding being bused to negro schools. (Editors Note: We say "hooray" for them, parents have a right to protect their children from race mixing.) Norman therefore ordered the FBI in to use their "mighty powers" of intimidation to get those white children back on the buses to the black schools.

Mrs. Ann J. Baker, secretary of "Concerned Parents for Public Education, Inc." of Sandusky, Ala., charged that "FBI agents have been following little children home from school and questioning them and their playmates."

This story is so hard to believe that we have decided to photographically reproduce the original report from "The Birmingham News" as evidence. Sen. Jim Allen of Alabama called it a pure case of "intimidation and a fantastic distortion of priorities in law enforcement."

With the skyrocketing crime rate, one would think that the FBI would have its hands full seeking bank robbers, car thieves and dope peddlers.

Because the daily press censors the news, there are many people who do not know that the FBI is also used as a force to police the political views of the people. The FBI has long been used to browbeat Patriots into giving up their Christian cause.

Speed the day, so long postponed when we rise a righteous wrath and demand that the FBI cease being a tool of the race mixers. Our people are fighting for God, Country and the Constitution — everything that is good for America — so why should our people be persecuted by the FBI? The real enemies of America are so plentiful that they should take up all the time of the FBI. If this use of the FBI as a secret police continues, we are going to demand sweeping changes in its powers. We are going to stop this tormenting of innocent people who want nothing more than to have their children receive a decent education in a local neighborhood school.

Anti-Busing Fight Spreads

BUSING RACES TOWARD A NATIONAL EXPLOSION NSRP WINS VICTORY IN DAYTON, OHIO

Busing of children to achieve court ordered racial balance has become the number one domestic issue in America. The pressure on the Congress and the White House to remove this intolerable burden from the backs of the White people has been tremendous.

As liberal as the U.S. Senate is, a very tough anti-busing bill was passed by a narrow margin. Then the word went out to traveling presidential candidates Muskie, Humphrey, and McGovern. They returned to

the Senate and voted the measure down. In its place was passed a weak measure which will have no effect.

President Nixon hopes to capitalize on the anti-busing sentiment sweeping the nation. He has called for a halt to any future busing. He has decided not to endorse the proposed Constitutional amendment which would outlaw all forced busing, past, present and future.

In other words, Nixon promises no roll-back of busing in the South and cities like San Francisco, Denver and others already saddled with the tyranny of court ordered busing.

"Tricky Dick" feels that he can use this half-way measure to fool the people and win reelection. The trouble is that once

Judge Robert Merhige

he gets back in office for another four year term, you can rest assured that the program of forced busing would be under way once again.

BUSING THREAT NATIONWIDE

The School Board of Boston, Mass., has scrapped a voluntary plan for busing that had already been in operation. The resistance of the people has been so strong that they decided to return to the concept of neighborhood schools.

Dayton, Ohio experienced the same problem. A race mixing school board voted 4 to 3 to initiate busing in Dayton. The National States Rights Party, led by R.D. Eldridge of that city, joined with other anti-busing groups to bring about the election of a Patriot to take the

place of one of the pro-busing school board members. Once again the board met and voted, this time it was 4 to 3 against busing.

The local race-mixers were so incensed that they are demanding that the federal courts step in and order busing against the wishes of the people.

The same thing has happened in California and Florida. Referendums have appeared on the ballot against forced race-mixing. The Federal Courts, who are supposed to enforce the law in accordance with the wishes of the vast majority of the people, ignore the popular view and try to cram unnatural race mixing down the throats of the people.

RECONSTRUCTION ACT HITS GEORGIA

The Justice Department has refused to approve the redistricting of the Fifth Congressional district of Georgia. They say that changes already enacted by the Georgia legislature "diluted" the black vote. (This would not give Georgia the black eye of having a negro Congressman.) The same Nixon controlled Justice Department ruled that a number of State House and Senate districts did not give the blacks a big enough club over the rights of White people.

The Atlanta news media reported the above with the attitude that there was nothing unusual about such orders. The Atlanta newspapers and T. V. news failed to mention that the Justice Department only has these powers to rule roughshod over 5 Southern States. The Lyndon Johnson Reconstruction Civil Rights Act of 1965 gives these unconstitutional powers to enforce black rule over the prostrate bodies of five southern states.

These downtrodden states must submit every election law change and redistricting change to the Justice Department in Washington for their approval. The chief criteria for approval is that any change MUST IMPROVE THE VOTING POWERS OF THE BLACKMAN OVER THE WHITEMAN! WHAT IS RECONSTRUCTION?

At the end of the Civil War, Abraham Lincoln had planned to restore equal rights and representation to the defeated Southern States. Thaddeus Stevens, (notorious race-mixer who had a negro for a mistress) wanted the South to be treated as a conquered colony, occupied by the federal army with no voting franchise for the Southern Whites. Lincoln did not go along with this plan, but his untimely assassination placed the radical abolitionists in power.

They passed what were called "Reconstruction Laws" — which are on the books to this day. They are actually unconstitutional because the South was not represented in the halls of Congress and did not have the opportunity to vote on these measures. Thaddeus Stevens stripped all Confederate veterans and their relatives of the right to vote. All illiterate blacks were given the vote. Thus, many states in the South were ruled for a time by black dominated state legislatures; blacks were elected to the congress; both Mississippi senators were negroes at one time.

The Reconstruction placed many hardships on the South after the Civil War. Entire factories were stripped and hauled away as reparations, special taxes were imposed upon the states and freight rates were altered so that every thing cost more to be imported into the South. There was even a famine and many Whitefolks starved to death.

Eventually the South was able to throw off the despotic rule of the Reconstructionists. Secret societies came into being. The nightriders rode hard against the enemies of our people. They shot, hanged and drove out of the South the scalawags and carpetbaggers who

had taken control of the South under Reconstructionist rule.

RECONSTRUCTION CONTINUES TODAY
The Atlanta newspapers, like most of the rest in the South, do not remind people of the history of persecution which continues to this day. WE ARE STILL UNDER RECONSTRUCTION!

When the Nixon Justice Department tells our state legislatures that we must alter district boundary lines so that more blacks may be elected to public office — WE ARE STILL UNDER RECONSTRUCTION!

The daily papers fail to report that the Justice Department does not have the power to issue such orders to the rest of the nation. It should be remembered also, that President Nixon, who is counting on the support of the South for his reelection could look the other way and tell his lackies in the Justice Department not to impose these unfair restrictions upon the South. But his desire to win part of the black bloc vote negates his helping the South and the Reconstruction continues.

Think how unfair it is for some Whites living in districts the Justice Department has forcibly caused to be redrawn. This places White people under the heel of black rule. If they have a grievance, how can they expect relief if they have to carry their problem to a negro Congressman, OR A BLACK LEGISLATOR? If a White has to shoot a black burglar or rapist and he lives in a negro governed city — he is the one most likely to be arrested and thrown into prison for defending his own home from the invader.

There can be no law and order or justice for White people forced to live under black rule!

We condemn today's news media in the South for its deliberate refusal to tell the people why these civil rights laws are used only against certain sections of the South. The press misleads the people into believing that they should be accepted without resistance, because they are something which applies everywhere, and we must meekly submit.

RECONSTRUCTION LAWS MUST GO! We must return to the fighting resistance of our forefathers which saved the White race and the South once before. Now the radicals seek to "Reconstruct" the entire nation! We must resist and defy Reconstruction laws and the scalawag traitors. Freedom for the people and the nation must be our cry. Never again shall we allow our people to sink under the rule of black masters. Thousands fought and died so that the White race would not live under such tyranny. Today we must unite together so that our people can regain their freedoms from the grave threat now posed against us.

Whites Losing Jobs Under EEOC Law

Sen. Gambrell Voted For EEOC Civil Rights Bill

STONER VERSUS GAMBRELL
U.S. SENATE RACE

NSRP Chairman J. B. Stoner is running against David Gambrell for the U.S. Senate seat that was vacated as a result of the death of Sen. Richard Russell. The primary election is August 8th, 1972 and only about two months is left for campaigning. Jimmy Carter, Georgia's integrationist race-mixing governor, appointed David Gambrell to the Senate to fill the vacancy caused by Russell's death. Before that, almost no one in Georgia had ever heard of Gambrell.

Gambrell is a member of a multimillionaire family which is one of the richest families in Georgia. As is usual with the super rich, the Gambrell family is for race-mixing. The rich and the negro bloc vote always vote for the same candidates in Georgia.

Gambrell is the first Georgia senator in memory to ever vote to cut off a Southern filibuster against a so-called civil rights bill. Southern senators were filibustering against the Civil Rights bill of 1972. Gambrell joined with Ribicoff, Humphrey, McGovern, et al and voted to stop the Southern filibuster in the Senate. Gambrell then voted for passage of the Civil Rights Act of 1972. The 1972 Civil Rights Act gives more power to the EEOC to enforce the civil rights laws in regard to employment and union membership. It forces unions with 15 or more members to accept negroes as members. Gambrell's civil rights law forces all employers with 15 or more employees to hire a quota of negroes regardless of whether the employers need them or not. Gambrell's civil rights law takes jobs from Whites and gives them to negroes, and guarantees that the negroes will be upgraded to supervisory positions.

State, county and city governments and educational institutions were exempt from the civil rights laws until Gambrell's Civil Rights Law was passed in February of 1972 and went into effect on March 24, 1972. Now, they must all hire a quota of negroes. That means that millions of White workers will be displaced by negroes. Gambrell's law means that cities, counties and states must hire negroes in preference to Whites as policemen and firemen and in other jobs until negroes hold almost one third of those jobs as "their quota." Gambrell and the other leftwing senators have destroyed more freedom in America in their march toward more socialism. The so-called civil rights laws are unconstitutional and violate and destroy the God-given and constitutional rights of White people. Gambrell is the biggest race mixer in the Senate race. Gambrell is going all out for the negro bloc vote.

GAMBRELL IS FOR BUSING

Since being appointed to the Senate by Jimmy Carter, Gambrell has been talking out of both sides of his mouth. He has told the people who are against busing that he is against busing. Yet, when the United States Senate passed the Higher Education Act on Wednesday, May 25, 1972, that contained a provision against busing, Sen. Gambrell was the only Southern senator to vote against that Act. Sen. Gambrell is a deceiver because he talks against busing while voting for busing at the same time in the Senate. Busing, as ordered by the Federal courts and the Department of Health, Education and Welfare (HEW), is designed to mix Whites and negroes together in schools on a quota basis based on the ratio of negroes to White students. On the showdown vote in the Senate, Gambrell voted for busing and

shocked Georgians with
his radical voting record

HOW THE DEMOCRATS GOT THAT BIG DEBT

When millionaire Bobby Kennedy was killed he had run up a campaign debt of \$2 million. His family was able to negotiate that amount down to \$1.25 million, but creditors still have not gotten their money. The Kennedy family was somehow able to pass the debt along to the National Democratic Committee.

This had never been done before and only those who won the nomination had their bills paid for by the party. When Hubert Humphrey got wind of the Kennedy family truck, he demanded and was allowed to transfer his 1968 campaign debt to the party. That is why the Democratic Party today is

perpetually bankrupt with over \$6 million in debt.

EEOC BILL DESTROYING WHITE WORKERS RIGHTS

Racial Quotas Being
Instituted Feeding Whites
Out of Jobs

The daily press is once again guilty of suppressing the news about the latest Civil Rights Law which is so radical that it violates the job rights of White people. The fact is that its enforcement will compel many businesses to fire White workers so that "unconstitutional" racial quotas can be met in the hiring of Blacks.

One astounding aspect of this measure is that Georgia's temporary Senator, David Gambrell, voted for the Equal Employment Opportunities Commission (EEOC). A Gambrell was appointed by Georgia's liberal Gov. Jimmy Carter to fill out the unexpired term of the late conservative Sen. Richard B. Russell who always voted against such evil anti-White civil rights bills.

Your editor knows of no daily newspaper which has published an article telling the people exactly how severe this new law is. We are now under its tyranny without even knowing its features.

The EEOC was already in existence; the new civil rights bill was in the form of an amendment to strengthen this commission. Here is what it accomplishes.

1) Places 10 million state and federal workers under its control as well as 2.5 million employees of formerly exempt educational institutions. Already, racial quotas are being set for these bodies in many states and this will be detailed later on in another article.

2) The former law covered only businesses with 25 or more workers. The new measure lowers this number to firms with 15 or more employees.

3) Under this law, Blacks may now sue firms which they feel "unjustly" didn't hire them. They may sue as a "class action" in behalf of any other negroes who may not have been hired. If they should win the case, back pay they might have earned must be paid them. Also the EEOC must furnish them lawyers at the taxpayers expense and prosecute the case for them.

Negroes recently won such a suit at a cement factory in N. C. and forced the company to pay them hundreds of thousands of dollars for work not performed.

4) The bill takes the power to initiate such suits away from

the Justice Department and gives it to the EEOC. (Until lately it has been headed by John de J. Pemberton, Jr., former director of the Red ACLU, and an apologist for the Black Panthers.)

5) Provides for the first time that the name of the person filing such discrimination suit be kept secret so that the company does not know who are the trouble makers in their midst.

COMMUNISM IN THE RAW
This bill actually represents a new step at spreading RECONSTRUCTIONISM to the entire nation. As we all know, during the Reconstruction era federal agents of Thaddeus Stevens (after Lincoln's death) were allowed to terrorize the South into giving state and local jobs to freed slaves. This is the radical era which Sen. David Gambrell and his liberal cohorts want to place the White people of this nation under.

THE DAILY PRESS IS GUILTY OF A CONSPIRACY TO WITHHOLD THESE FACTS FROM THE VOTERS!

"MORE TO COME!"

Yes, if the lefties like the big money Sen. Gambrell have their way, immediately after the passage of this bill an EEOC spokesman said that: "Next time we hope to receive our own cease and desist powers." This is a new power grab they want so they can automatically order companies to hire Blacks even before a hearing is held.

EXAMPLES OF THE TYRANNY

The EEOC is seeking an order for all of the nation's 15,000 interstate trucking firms to begin hiring negroes and Mexicans.

The EEOC has aided New York City in the enforcement of a new dictatorial order that all firms doing business with the city must meet racial quotas in hiring non-Whites up to 44 percent of their work force. The Employment Rights Division bureau was given \$100,000 in the form of a federal grant as a "reward" for its "strong enforcement in the employment field" according to Eleanor Norton, head of the minority compliance department.

Even in Seattle, Wash., with a small negro population, contractors have been ordered to hire no less than 13 percent Black workers by next year.

JEWS LEAD HIRING FIGHT
Very few people realize the extent to which the Jews have promoted the campaign to hire minorities by racial quota.

McGovern—Humphrey Have Common Money Sources

This is the third in the series of articles about the more prominent candidates for the presidency and where they get their campaign money. As we have detailed before, Sen. Hubert H. Humphrey's chief campaign fund-raiser is the wealthy Jew lawyer, Eugene Wyman of Beverly Hills. He says "Hubert is the biggest Israeli Bond Salesman in the country." Since that time we have learned that Heshulam Riklis, an Israeli immigrant, has loaned Humphrey \$150,000. Riklis is chairman and president of the "Rapid-American Corporation," a manufacturing concern earning over

rich, with a 75% tax on all they make over \$25,000 per year? No, his big welfare spending plans will be financed by the middle class working people, as usual.

But let's not leave out Sen. Edmund Muskie and President Nixon. Muskie still is a dark horse if the convention is deadlocked. Multi-millionaire Morris Perlman has given Muskie over \$100,000. He owned the precious patent to the little valve which is crucial for the operation of all the aerosol-spray cans which are in every home in America. Manufacturers paid Perlman over \$15

JAKE FACTOR

\$2 billion per year. Earlier he donated \$25,000 to the Humphrey campaign.

Another big Humphrey contributor is underworld figure "Jake the Barber" Factor. He gave Humphrey \$300,000 in 1968 and is making large regular donations today. Jake Factor is now in his 70's and has taken on a new (fourth) young wife. He spent his honeymoon in Sen. Humphrey's home in Washington.

Other Humphrey money men are Eugene V. Klein, president of the National General Corporation. Another fund raiser is the Jew Lorne Greene of T.V. "Bonanza" fame.

McGOVERN'S ALL JEWISH CAMPAIGN

Never has a campaign drive been so saturated with Jews as that of Sen. George McGovern. He has the late Bobby Kennedy brain-trusters Frank Manikewicz and Pierre Salinger managing his drive for the presidency. The Jew Charles Guggenheim runs his overpowering T.V. blitz. But it is amazing the number of Jewish youths one can find running the McGovern operations all across the nation.

The big Jew money man in the McGovern campaign is Max Palevsky, the real owner of Xerox Corp. He has given McGovern several hundred thousands of dollars. He also is the power ordering Xerox to use much of its huge profits to brainwash our children with race mixing propaganda. He publishes the little 4 page school newspaper that is sent out free to the schools throughout the nation to be given to our children.

Miles Rubin, big textile owner, also is second to Palevsky in giving to McGovern. Marvin Shapiro says that "Jews got into home building a big way in California because it takes such very little capital to enter the field. Many of these big contractors are supporting Sen. McGovern."

Under these circumstances, can anyone believe that McGovern really intends to soak the

million for the right to use his patent. It was invented by a Christian who sold it to Perlman for a comparatively insignificant sum. Without producing any of the cans himself, Perlman peddled the rights to use the patent to others for a fortune.

He has used the profits to buy 65,000 shares of Westinghouse, (making him the largest and controlling shareholder), and placed him in the lake front real estate business in Chicago and Green Bay, made him the owner of IXL Corp., of Goshen, Indiana, the nation's leading builder of kitchen cabinets.

Last but not least is Nixon's Leonard Garment, the man who raises money from the Jews for Nixon's campaign effort. The Jews back all candidates so that regardless of who emerges victorious, JEWRY STILL REMAINS THE VICTOR.

HOMES FOR JEWS BUT NOT FOR ARABS

A subscriber brought a new argument to our attention against the \$50 million President Nixon has authorized for the resettlement of Soviet Jews in Israel. Humphrey, McGovern and Muskie all strongly supported this bill.

The reader writes: "What a pity that similar efforts are not being made on behalf of the hundreds of thousands of Palestinian refugees. Most are native born, who have been forced to flee their land, to live in unsanitary tent cities in the desert. These poor homeless people are without hope, driven from a land which was once theirs."

"It is remarkable that the Jews can find homes and grant citizenship to people from far-away lands and at the same time continue to deny those same rights and privileges to those who have lived in Palestine for over 2,000 years. Since these poor Arab refugees form no political bloc vote in America there is not one single politician lobbying for homes for them."

Unbelievable Degeneracy

Never before have children been so violently attacked by enemies from within their own Nation!

Along with the big educational budget have come legion upon legion of "experts." Every fraud and charlatan who in former times would have been a vendor of snake oil or miracle cures is now a "professional educator."

Banded together in powerful trade associations, "professional educators" use the political power thus achieved to press their demands upon school districts across the Nation.

Under the misrule of these totalitarian Leftists, the schools have become Dewey-oriented jungles, graduating children who have never properly learned to read or write, add or subtract, or even conduct themselves in an orderly manner — but will be thoroughly schooled in sex.

Violence in the hallways and stairwells is rampant, with children being shaken down for their lunch money, also being physically and sexually abused.

Meanwhile, academic standards are scrapped while the planners concern themselves with social objectives rather than teaching. The mind-benders are having their day. All kinds of psychological tests are pushed upon the children — secret tests that parents cannot be allowed to see. The most intimate details on the life of the family are thus determined, and assembled into a dossier that will follow the child wherever he goes, revealing the influence of family upbringing that Pavlov's disciples wish to purge from his mind.

As the "three R's" have gone by the board, the educators have come up with other functions for the classroom — such as "community adjustment" and "behavioral modification."

Thus, viciously and deliberately, our children are being deprived of a proper education, while being simultaneously exposed to anarchy and mind molding. Few Americans have had time to direct their attention to the deterioration and subversion of our educational system. Now a major crisis in education looms. Immediate action is essential — otherwise, *America's future* will be molded into America's enemy.

SOME FACTS ON SENSITIVITY TRAINING

1. Sensitivity training is a form of self-criticism conducted in groups. It is NOT to be confused with group psychotherapy. Sensitivity training is designed to destroy old moral values and inhibitions. New (Leftist) values are then taught to members of the group.

Sensitivity training is in fact a new form of BRAIN-WASHING. It has long been used in the Soviet Union and in Red China to create political and moral conformity among the captive population.

Sensitivity training is now being given to teachers (especially sex education teachers) as well as students.

2. The Leftist National Education Association has been the moving power behind the sensitivity training program for teachers and students. The NEA has consistently pushed the destructive ideas of Karl Marx and John Dewey onto innocent children. The NEA sensitivity training program was started by the National Training Laboratories (a sub-division of NEA).

3. In Darien, Connecticut, 36 public school teachers were forced to attend a sensitivity training session in June 1969 in order to get credits for increased salaries as instructors in sex education.

One of the teachers forced to participate in the session later reported: "We weren't allowed to talk. Only joy achieved by touch was acceptable. . . Anything that was pleasing to the touch or to the emotions was the thing to do. . .

"The leaders enjoyed themselves sensually. One trainer. . . never left the side of one young girl, but remained wrapped in a blanket with her at every meeting experiencing joy.

"All outside responsibilities were ignored, or told to be forgotten. Live only for the moment and experience joy.

"Expose yourself to your group. . . Self discipline was not acceptable.

"When my trainer. . . attempted to. . . kiss me — and wouldn't stop trying — I walked out in shock. . ."

4. Body awareness games used in sensitivity training are now being used in high schools. Games involving touching, feeling, smelling, rolling around on the floor, crawling into piles, etc. *are being taught to boys and girls together between the ages of 14 and 18 years.*

5. Sensitivity classes in public schools include such degeneracy as placing small groups of boys and girls in broom closets with instruction to pet and touch each other.

6. The Federal Government is now financing sensitivity training. In 1967 the U.S. Office of Education started funding sensitivity training for 7th and 8th grade students in the Garden Grove School, District of California. *A requirement for mandatory student attendance to sensitivity training sessions was attached to the federal funds.*

7. Sensitivity training poses grave danger to young people. In Evanston, Ill. a high school English teacher, Thomas Klein, started sensitivity training in his classes. Klein learned part of his sensitivity training at a week-end session sponsored by the National Training Laboratories (subdivision of NEA).

After a few sessions in class, Klein's students started their own sensitivity training course.

One teen age girl became hysterical and abusive to her parents after one session of sensitivity training in her home.

Several other teen-agers who took part in the session said they were unable to sleep that night.

One boy awoke to find himself wandering in the middle of town, several blocks from his home at 3 a.m. He did not remember getting out of bed and leaving home.

Another boy told of being picked up by his playmates at

another sensitivity training session and held overhead and swung back and forth. The boy later said he had not felt himself being swung. *He appeared to have been in some kind of trance.*

ILLEGAL BUSING

H.E.W. Secretary Robert Finch has continued to demand school busing be required in order for local areas to receive Federal funds. Finch's action is in *open violation of the Federal law which specifically prohibits busing to achieve racial integration.*

FORCED INTEGRATION

The Supreme Court has just destroyed the freedom of choice school attendance plan. President Nixon's new Chief Justice voted with the other Leftists on the Court to increase race mixing. It's a safe bet that none of the children of Court members will ever attend a mongrelized public school.

THE RISE OF INTERRACIAL DATING

Forced integration has resulted in a sharp rise in interracial dating. The great majority of interracial dating involves *Black males dating White females.*

THE "UNDERGROUND" PRESS

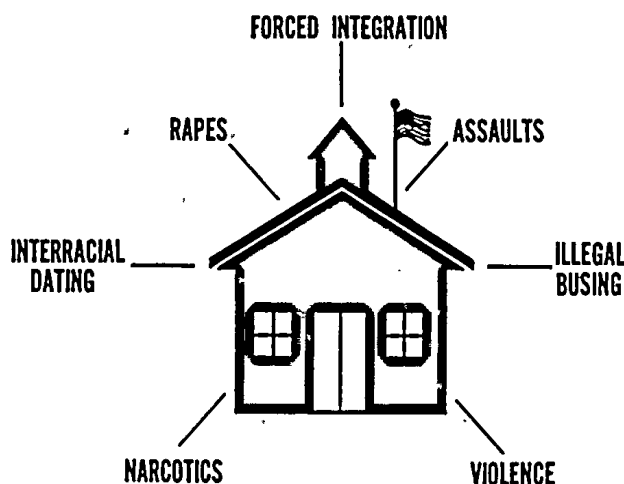

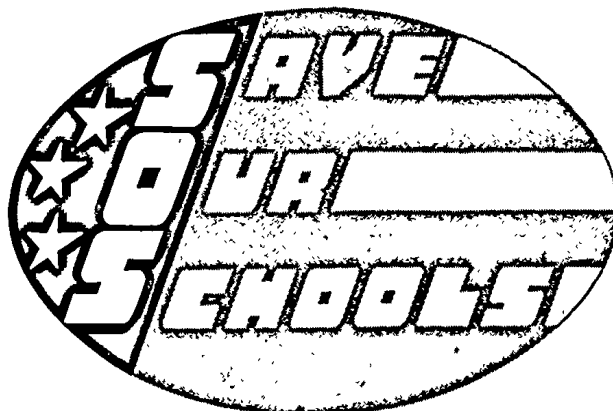

The "underground" press consists of pornographic newspapers and newsletters specifically aimed at young people. These papers are openly pro-Communist and are often anarchistic as well. "Underground" papers push narcotics, draft evasion, free love, homosexuality, and sexual perversions that would make De Sade blush. Hatred of law officials, instructions for making home-made bombs and Molotov cocktails are part of the typical format in the "underground" press. *The one word that can best describe the ideas behind the "Underground Press" is - NIHILISM, the philosophy of total destruction.*

"Underground" papers have now spread into junior high schools. *There are now over 1,000 "Underground" papers operating in the United States.*

NARCOTICS

1. Drug consumption is rising at the fantastic rate of 7% a month.
2. Addict crime creates tremendous cost to the taxpayers. Washington, D.C. area *citizens alone* lose \$30 million dollars a year to addict connected crime.
3. Heroin killed 28 people within ten days in New York City alone.
4. A 3 day trip on drugs killed an honor student at Littleton, Colorado high school.
5. Experts have testified about the great dangers resulting from the possible legalizing of marijuana. A professor of psychiatry at the University of Chicago stated that those advocating legalizing marijuana "should be willing to risk exposure of many to becoming casualties."
6. The Nixon administration has proposed to *lessen* drug penalties at a time when drug abuse is spreading into junior high schools.

McGOVERN RADICALIZES AMERICAN POLITICS

The movement to the left in American politics has been greatly accelerated. Witness the nomination of Sen. George McGovern, an avowed hard core communist. His candidacy makes it possible for Nixon to safely move further to the left in seeking Jew and negro votes. He feels that regardless of what he might do, he will still seem to appear to the right of McGovern. This means that we can look for much more socialism regardless of which candidate is elected.

The democratic convention was a shock to many Americans. Before our very eyes on T. V. we saw the brute forces of the communist revolution take over the democratic party. That party has been Jewish controlled since the Roosevelt administration, but still had the influence of big labor, big city political machines, and other special interests. Now, even big labor and big city machines are out, and the radical communist revolutionary elements have the democratic party all to themselves.

THE CONVENTION WAS A SHOCKER

The American people couldn't believe their eyes when Jews Jerry Rubin and Abbie Hoffman strolled onto the floor of the democratic convention and flaunted their official credential passes. The two convicted anarchists gave brazen T. V. interviews stating; "Four years ago we were on the outside, today we are on the inside."

Throughout the convention we saw radical Mexican Cezar Chavez signs proclaiming, "Boycott Lettice." "The Gay Liberation" homosexuals were also given the green light to take to the podium to express their views in favor of legalizing perversion. Others advocated legalized abortion. McGovern has favored both, but decided that too many votes stood to be lost if they were added to the platform. Every kind of freak and radical was in attendance at the Democratic convention.

While the T. V. commentators tried to project the feeling that Gov. Wallace was "honorably treated" at the convention, the truth of the matter was that he was loudly booed numerous times. The T. V. projectionists zeroed in on the speakers voice to try and cut out the heckling in the background. To add insult to injury Sen. McGovern failed to invite Gov. Wallace to sit on the speakers rostrum when he made his acceptance speech. However, Gov. Wallace would hardly be interested in that dubious "honor" anyway.

George McGovern's program of total disarmament and welfare spending, etc., would turn this nation into a communist totalitarian state. Sen. McGovern was able to take over the democratic party because he headed the reform commission which set up district caucuses. This allowed radicals to flood in and stack the various delegations in McGovern's favor. McGovern was the acting referee, directing his forces in the takeover of the democratic party. Who ever heard of a referee participating in the game and crying foul if anyone objected to his rulings. (Example, the steal of all the California delegates by McGovern.) This was another case of referee McGovern declaring himself the winner!

Since George McGovern was the head of the so-called "reform commission" he should have automatically been ineligible to run as a candidate himself. Sen. McGovern "reformed" the democratic party so that he could later declare himself the winner after stacking the state delegations. Here is a man who could only poll 5% of the vote in Florida, running third behind

Wallace and Humphrey nationally, now saying he speaks for the majority of Democrats in America! It all has not ended here! Sen. McGovern is now at work "reforming" the Democratic National Committee so that it will be in his hip pocket for all time to come, whether he wins the election or not.

Today, people look at Nixon and Humphrey in a favorable light when they are compared with McGovern. Never before in the history of the Democratic party were so many Jews seen on T.V. representing so many state delegations. Every time they called out another name, chances were that another "son of Zion" would pop up and answer the roll call. Frank Mankiewicz and Harry Kempleman are the two Jews who now rule the Democratic Party for their dedicated communist front George McGovern.

Cleverly Richard Nixon goes after the Jew and negro bloc vote and feels by keeping Agnew on the ticket, he has the rightwing locked up in his back pocket. This has allowed Nixon to move strongly in support of Israel and won him the endorsement of Mrs. Golda Meir's ambassador to Washington. By keeping Agnew on the ticket, Pres. Nixon feels assured that he will be able to keep the support of conservatives despite his coddling of Moscow, Peking and Tel Aviv.

The only chance that Sen. George McGovern has to beat President Nixon is to register millions of negroes, Mexicans, Puerto Ricans and hippies as voters over the next few months. It remains to be seen whether or not he can accomplish this feat.

There is no opportunity for true Rightists to express their views in the Republican Party. It is operated like a private club and if you do not conform, you are ostracized. The GOP is run by the super-rich establishment crowd, the Rockefeller (who placed Kissinger in office) the big Jewish banking firm of Dillon & Company along with the Zionist Jews like Max Fisher of Detroit.

THE DIRECTION THE RIGHT MUST FOLLOW

There is no use in pretending that the shooting of Gov. George Wallace was not a great blow to the patriotic cause in America. He was able to rally the people together and sent the cringing politicians in Washington a message they will long remember. Gov. Wallace is still suffering from dangerous infectious drainage of his wounds. He is fighting to stave off peritonitis, an inflammation of the abdominal lining, which often leads to death. His doctors are fighting to prevent the deadly effects of this disease.

Our job in the National States Rights Party is to give the people of America the full message of exactly what is the CAUSE of our plight.

It is the JEW who is behind busing and the plot to mongrelize the White race.

JEWS seek to turn our descendants into a mulatto race of zombies who will be easily led around as slaves by the 'chosen race'.

The JEW is the cause of the international crisis in the Middle East.

The JEW is the reason Jews like Kissinger and Rostow have controlled foreign policy over the past 12 years. This has prevented victory over communism in Vietnam.

The JEW is the cause of the gold crisis and the international money problem. They are the chief speculators reaping billions from the devaluation of our money.

It is JEW money power in America that continues to control the press, T.V., Hollywood, etc., brainwashing the White race in support of their satanic plan for race-mixing, degenerate hippism and communism.

SENATE TO ACT ON GENOCIDE TREATY

Pact's Possible Passage Perils Patriots

JOHN J. SYNOR

When President Nixon urged the Senate to ratify the Genocide Treaty I was left nonplussed.

Consider just two of that treaty's provisions:

Article II says, anyone who "causes serious bodily or mental harm to" . . . a "national, ethnic, racial or religious group" shall be guilty of the "crime" of genocide. Article IV says any "persons committing genocide or any of the other acts" (enumerated in the treaty) "shall be punished, whether they are constitutionally responsible rulers, public officials or private individuals."

Punished by whom?

By their own country's courts or — and hear this — by "an international penal tribunal."

How about that? Americans to be punished by an "international penal tribunal."

This Nixon-sponsored treaty is a brain child of the United Nations that was given birth more than 20 years ago. It had its genesis, so the propaganda has it, as a result of what Hitler is said to have done to the Jews.

In any event, its substance is so sweeping, so alien, so repugnant to American ideals of justice, it has lain doggo all these years; the Senate wouldn't touch it. Through all the leftward drift of things, the Senate, unspurred, wouldn't touch the Genocide Treaty.

But now that we have a "Conservative" President (God save the mark!) here comes its hydra head again. What irony.

This treaty makes it possible for an "international penal tribunal" to reach right into your home and jerk away a member of your family to be tried for the "crime" of genocide or "any of the other acts."

Tried where? Anywhere; in Moscow, or Tibet, wherever they set up an "international penal tribunal." And for doing what? Why, for causing "mental harm" to a "national, ethnic, racial, or religious group."

Which means that if you express an opinion about any such group, an opinion that the group says has caused them "mental harm", you become subject to a rap on your door, to being whisked to perdition, and none can stop the whisks. Shades of Bobby Kennedy!

Seems hard to believe, doesn't it? You would think, wouldn't you, that the American government could prevent foreign agents from plucking you from the bosom of your family.

Not under this treaty it couldn't since, believe it or not, treaties with foreign powers supersede the authority of the Constitution. If this treaty ever becomes the "supreme" law of this land (as our Constitution holds treaties to be) we — you and me, Buster — we will have had it. Nothing could protect us. We would be on our way to the tumbrel.

Under what body of law would a person be tried? Under no body of law; there isn't any such body of law; no international body of criminal law exists. This is some-

thing new in the world. It is legitimized Kangaroo, is what it is. Vigilante-ism in the trappings of law — and Dick Nixon urges the Senate to ratify it.

Columnist Holmes Alexander, a long-time friend and a sometime Conservative, in writing of Nixon's recommendation to the Senate, in effect, says Nixon is only kidding. Nixon, Alexander says, knows the tenor of the Senate and that this hoary body wouldn't think of ratifying so monstrous a thing. So, he writes, we shouldn't worry about Nixon's recommendation.

How cynical. That's like saying not to worry about handing a loaded gun to a nitwit. The United States Senate, I'm here to tell you, is capable of ratifying anything, genocide, homicide, or suicide.

If you have an interest in not being Kangaroo-ed in Ghana or Timbuctoo, I would suggest you write both your senators and tell them as much. Tell them you want an unequivocal answer as to how they intend to vote on the Genocide Treaty. Send your letter to the Senate Office Building, Washington, D.C.

Otherwise — well, anyone for Ghana?

WHAT YOU CAN DO:

- Write immediately to your 2 senators, members of the Senate Foreign Relations and Judiciary Committees.

- Tell them that the "Genocide Treaty" is not as portrayed; it would cancel out American freedoms.

- Advise them that rather than ratification, you believe the United States should denounce the Treaty.

- Let them know that ratification would void the Constitution, and require the writing of new, repressive domestic laws.

- Be sure to ask the Senate Judiciary Committee to hold hearings on the Constitutional issues involved.

- Point out that "Genocide" is not the issue—provisions are so sweeping as to destroy many rights of Americans.

- Expose this fraud to as many people as you can. Urge them also to write.

- Use every means possible to warn the community—call in programs, letters to the editor, and all other means. Remember,

Student In Hospital After Skirmish Here

By JAN GLIDEWELL

One youth was hospitalized, an alderman was injured and an investigation into a skirmish between white and black Kankakee policemen is planned in the aftermath of a large fight which took place Friday following the Eastridge-Westview basketball game at the Abraham Lincoln School.

Hospitalized was Brad Stanley Gulczynski, 17, 430 S. Third Ave., a senior at Westview High School. Gulczynski, told police that he was at the intersection of Court St. and Hobbie Ave. about 10 minutes after the fight broke out in the street in front of the school. He said that he was jumped by a large crowd of black youths who struck him, knocked him to the ground and then stomped him. Gulczynski is white. He suffered two lacerations on the head and multiple bruises. Hospital authorities reported his condition as good Saturday.

ALDERMAN Wayne Cunningham, R-6, spectator at the basketball game, was treated and released at Riverside Hospital for a facial laceration he received during the melee. Police reports do not indicate how Cunningham received his injury and the alderman declined comment Saturday.

Kankakee Police Chief Thomas Maass said Saturday that there will "definitely be an investigation" into charges made by a white policeman that two black policemen wrested a prisoner from him and set the prisoner free.

SHORTLY after the fight broke out at 9:35 p.m., a portion of the predominantly black crowd broke away and chased three white girls and a white boy into a doorway of the school. The boy held the crowd off for as long as he could and then turned his back on the crowd, shielding the girls with his body and upraised arms, witnesses said.

One black youth was battering the husky white youth on the head and body when Patrolman Richard Whitehead broke through the crowd and grabbed him.

The crowd immediately turned on Whitehead, and began pulling at both him and the prisoner. At the time there were only four or five Kankakee policemen on the scene. Patrolman Raymond Krizan waded in to pull some of the crowd away from Whitehead and his prisoner and, after a struggle of two or three minutes, the two managed to get to squad car.

Whitehead said that while he was trying to get the still-struggling youth into the car, Albert Love, one of two black patrolmen on the scene, began pulling at the prisoner and telling Whitehead to "turn him loose".

Whitehead said that he told Love that the youth was under arrest for battery and asked for assistance in handcuffing him and getting him into the squad car, but that Love kept telling him to release the prisoner.

In a statement which he turned in, Krizan said that another black patrolman, James Handson, also grabbed the prisoner and yelled for Whitehead to release him.

According to Whitehead, the prisoner was finally wrested from his grasp and set free.

Contacted shortly before noon Saturday, Police Chief Thomas Maass said that he did not yet have all of the facts and had not yet talked to all of the individuals involved but said that there would be an investigation.

Police were alerted to the possibility of difficulties at or after the game Friday because of the suspension of 40 to 50 black students at Westview High School on Friday morning. The students were suspended after they sat down in the school's cafeteria in protest of other suspensions, and refused to go to class. Buses which took the suspended students home had seats slashed with knives.

Shortly after 7 p.m. Friday, a brick was thrown through the window of a car in a N. Schuyler Avenue parking lot, and minutes later a policeman's wife was harassed in the K mart parking lot on E. Court Street.

Patrolman William Cantrell said that his wife was attempting to get into her car, which bears a police association sticker, when two carloads of black youths, some of them wearing red berets, cut her off and refused to allow her to enter the car. An unidentified passerby came to her aid and Mrs. Cantrell was allowed to leave the lot.

After these incidents, Police Lt. Donald Koerner assigned one squad car to stay in the vicinity of the school while the game was in progress. Three policemen were inside.

The roving patrol checked the gymnasium at halftime in the closely fought see-saw battle between the two rival schools (Westview won by a two-point margin) and received an all-quiet report from the inside policemen.

Shortly after the game broke up a large crowd gathered in front of the school and simultaneous fighting broke out in several places at once.

Policemen finally dispersed the crowd, part of which, they believe, later attacked the Gulczynski youth three blocks away.

Another large group of black youths, en route to Pioneer Park, threw bricks through windows at the Mortell Paint Company, 500 N. Hobbie Ave. Between 20 and 30 windows there were broken, police said.

Two squad cars were also damaged by bricks thrown during the fight at the school. A light was broken on the top of one and the body of another was damaged as policemen and their cars were showered with bricks, bottles, cans and other missiles.

Black Cops Speak Out On Charges

A black Kankakee police officer who was accused by white officers of interfering with an arrest during a disturbance Friday night said Saturday he felt he was using "common sense."

Patrolman James Handson, who along with Patrolman Love, also a Negro, was accused of freeing a young Negro whom other officers were attempting to arrest, said he and Love had talked over the situation and "we think we used common sense and good judgment."

White officers said Handson and Love told them to "let him go" and finally wrested the youth away from Patrolman Richard Whitehead and turned him loose.

"We're Black Men First and Policemen Second."

Dear Fellow Supporter:

Since the beginning of this year the National States Rights Party has taken many aggressive steps to further our cause in Illinois. Many so-called right wing-conservative organizations keep their fight on a defensive level, but not so with the NSRP. We are an ACTION group and are not afraid to step out in front to bring our fight to the grass-root American people. We have often been referred to as the "spearhead" of this battle for survival.

The year 1970 marks the first time in the history of the party in Illinois that we have run our own candidates for public office. In the March primary election we had one of our members running for the U.S. Congress; he ran on an open anti-Jewish, anti-race mixing platform. (He came in second in a four man race.) In April we had another candidate on the ballot for a local school board position; he also ran on an anti-race mixing platform.

The future of our party was also brightened with the announcement of construction of a new headquarters building for one of our central Illinois county units.

The Spring season starts our 1970 mass-meetings and White Peoples Rallies program throughout the state. Many meetings have already been scheduled and more are in the planning stages. With this new drive we will be able to recruit many new members and sign-up subscribers for our national newspaper "The Thunderbolt". We also hope to be able to announce the formation of additional local chapters and units in the very near future.

All of this takes money, and unfortunately the recent political campaigns have left our treasury bare (as a matter of fact, this newsletter is being produced and mailed with borrowed funds), and owing bills. Mass literature distribution, radio and newspaper advertisements were necessary to get our candidates views out to the public, and of course this does not come free, it costs money, and a lot of it.

If the National States Rights Party is to continue its growth and become a major movement in Illinois, we must have your full support...moral, physical and financial. We know that with all the inflation the Jews have brought upon America, and income tax (both Federal and State) time just past, that many patriots are pressed for funds. But we know that there are many - who if they wanted - could give us a sizable contribution. If only a few of these very fortunate people would help us the way our poorer supporters do, our financial problems would be over. We also understand that many will only be able to give a dollar or two or five, this is where we get the majority of our funds and it is greatly appreciated.

There is an old saying, "Don't put off until tomorrow what can be done today", so before you forget, use the enclosed reply form and envelope to send us what ever you can. Do it today!

Leaving Shelby County Criminal Courts Building

Hon. Jerry Pope has just returned from London, England where he met with our fellow White Patriots there. He will report on the growth of the Right Wing overseas. Attorney J. B. Stoner will lecture on the legal rights of White Patriots and how best to use and ensure the perpetuation of said rights. Miss Jane Arnold will speak on the woman's role in the movement. Dr. Fields will reveal the details of our summer campaign, while others will speak on the practical aspects of organizational work.

All will give their viewpoints from different sections of the nation on what they find as the best methods for developing and spreading our cause. One of the highlights of the Convention will be the naming by the National Executive Committee of the NSRP Man of the Year and the presentation of a beautiful plaque by the National Chairman.

You have helped before and we need you to stand by us in this great new effort. Use the handy enclosed form to make a contribution to this real Whiteman's action movement. We need your help and this is where it will do the most good at a time when the racial ferment is really boiling. Help us stoke the fire of our efforts, so we can march into this battle knowing that WE WILL WIN!

Yours for Blood and Soil,

Dr. Edward R. Fields

P. S. Will be looking forward to meeting you personally in Jacksonville this Saturday.

P. P. S. We still have a small supply left of that now rare and much sought after issue No. 1, Vol. 9 of "The New Patriot" magazine (which is no longer published). It contains such Chapters as, "Arthur Goldberg--Portrait of a Zionist," "Jews and the Civil Rights Movement," "Jews and the Russian Revolution," "Judaean-Communist Influences in Western Art," "The Wandering Jew," etc., etc. Each person who contributes this month using the enclosed form will receive a copy of this rare issue. Even if you have had a copy in the past, this will be your last opportunity to obtain another one to read and loan to others.

MANY GEORGIA AND FLORIDA PEOPLE COMING

This will be a grand opportunity for Patriots to meet like-minded people from their own states, especially Florida and Georgia. Since the convention is being held almost on the border of these two states, we have received a lot of fine letters from our friends in this area who say they are coming.

Our host Gene Wilson, Florida NSRP Coordinator will have local Party supporters manning his two phones for anyone wishing directions or other information when they reach Jacksonville. His phone numbers are 781-9282 and 781-9090.

PERSONAL NEWSLETTER is issued monthly to members of the National States Rights Party and to its supporters whose regular monthly contributions help build this patriotic Christian movement.

during the past few weeks, White people running on open Racist platforms have been elected to office. Liberal Denver, Colorado voted down busing 2 to 1. The reelection of Mayor Yorty in Los Angeles was the most remarkable upset of all. His record was poor, people were tired of him and he only received 26% of the vote in the first primary. Despite newspaper backing of the negro candidate, phony polls slanted in his favor, loads of Jew campaign money, the backing of most movie stars and liberal Democrats including Hubert Humphrey and Ted Kennedy, the negro lost and the White people rallied behind Yorty -- he won against all odds.

This shows the real power of White Unity. It proves that our people are becoming more and more aroused and now that the Blacks, Jews and liberals have forced our backs to the wall, we are ready to turn and fight to save the White Race. The expression of shock and dismay on the part of liberal race-mixing editorialists and T. V. "commentators" clearly showed their chagrin. They openly speak of dark and foreboding times ahead for their side. They fear the forces of the Right are on the March, and this is true. If we could pick any other generation in history in which to live-- THIS IS IT! The masses of our people have been made ready for acceptance into our fold by the excesses of our enemies.

We dare not allow this (perhaps our last) great opportunity to pass by. The coming days and weeks ahead will require great sacrifice and drive on the part of all active Patriots. This is indeed the time for the all out drive to present the truth of our cause

before the entire American public for their close scrutiny. I realize that we have had to call upon your aid so many times in the past, and you have never failed to rush to our aid. We are very much encouraged by the fine enthusiasm that so many of you have shown by giving to rebuild the NSRP's "Patriotic Legal Fund." This is a most vital part of our protection arm. As contributions are still coming in, we will announce the total amount collected in our next newsletter. The Legal Fund defends the right of our Leaders who are proud to carry our banner forward in the open air outdoor rallies, marches or counter protest demonstrations against the degenerate hippie-pro-Viet Cong peace creep element and others who seek to tear down our flag and humiliate this great country. Remember that the NSRP is one of the few outstanding dynamic White Racist organizations which is out carrying the message of White Liberation to our vast Whitefolk, yearning for the right movement to come along at the right time to show them the way.

As soon as next weekend's convention is over, we will be off and running on a new nationwide organizing drive. It will take a lot of hard work and will carry us across the length and breadth of this nation. There will be a lot of people in there working to make this the greatest success we have ever experienced. Organizational funds will be needed so that we can begin without delay. We know that you will follow closely the development of this drive and help when we reach your area. But, if we are to crystallize the readiness of the American people to rally to our cause, now is the time to do it.

The next issue of The Thunderbolt will give you all the details of the organizational plan, but funds are needed right now to enable us to pay for halls that must be taken care of in advance, the many hundreds of dollars which will go for advertising the meetings, travel costs, etc., along with the many other expenses involved.

Therefore, we hope that all of you will help us swing a real blow at the enemy by enabling us to launch this new drive on the right foot. Many crises face America and the NSRP will be right in the middle of things presenting the White people's side and offering a very clear alternative for those who are tired of just talking about things and who now want to do something positive for the preservation of our Racial Culture, National Destiny and Christian Faith.

CONVENTION USHERS IN NEW DRIVE

The upcoming convention of the National States Rights Party in Jacksonville, Florida on June 7th, will kick off our big summer organization campaign. The NSRP has more supporters on a nation wide basis now than ever before. This reflects the readiness of Patriots for the full truth as presented by the NSRP.

At present, we are arranging for numerous meetings throughout the nation. The object in most of these events will be the establishment of more local chapters. One of the main drives will be out in the West Coast area. Just this past week we Chartered a new chapter in the San Francisco Bay area, which will sponsor a meeting for Dr. Fields and one of our best organizers, Mike Landis of Chicago in July. In the southern part of the state, Neuman Britton is arranging meetings for Los Angeles and San Diego. The time, place and dates will be announced in the next issue of "The Thunderbolt" (off the press June 16th). Meetings in many different areas in the South and North will also be announced.

In reaching out with our message of TRUTH, LIBERTY and RACE, we must be bold and aggressive. There is no other way to smash through the iron curtain of censorship by which the enemy seeks to silence our activities. In fact, we must ask that our local leaders actually assume an attitude of arrogance in promoting and presenting our case in the very face of the enemy's opposition. We are pleased to note that this is exactly what our supporters are doing in many parts of the nation. There will be a full report on the mass circulation campaigns of THE THUNDERBOLT by various NSRP Chapters in the next Thunderbolt, which is really giving the Jews and their puppets fits.

A new step forward for The Thunderbolt is the new giant size envelopes which will bring you the next issue of our paper. It will give you a better looking newspaper because it will no longer have the extra fold in it. Also, the glue on the new envelopes is very strong and our mailers will no longer have trouble sealing them. We definitely believe this improvement will make our paper more popular than ever before.

There is still plenty of time to plan your trip to Jacksonville, Florida for this convention. Jacksonville is served by most airlines and reservations are easily obtainable at this time of the year, so check time and departure schedules now. This is indeed a wonderful opportunity for you to enjoy the good fellowship associated with being with your fellow Patriots. At the same time you can enjoy Florida's many vacation facilities. The Holiday Inn on Stockton Street has a large swimming pool and we will have a comfortable air conditioned hall. Tickets to the convention will be on sale at the door and there will be plenty of refreshments for all. So it's still not too late to make your plans to attend the convention. See you in Jacksonville June 7th, next Saturday beginning at 2 p. m. in the afternoon.

UNITE TO BUILD THE NATIONAL STATES RIGHTS PARTY

All of us living now are actually standing at the crossroads of history. We are living in the beginning of the new Renaissance for the White Race in America. In all elections
